

Plan for Whole Class Isolation - Year 2

Should the occasion occur that we have to go into a class lockdown then we will be providing a daily plan of activities for your child. This will include a maths activity, literacy (spelling, grammar and reading) as well as a topical linked task. Below are some of the websites we will use, should you want to look at some of the resources that could be used.

Maths skills	<p>We have a subscription to white rose https://whiterosemaths.com/homelearning/year-2/ The website provides a comprehensive video, powerpoint and activity to complete on a worksheet - We will direct you to the lessons which we would have been completing in the classroom at school.</p>
Reading	<p>Please choose a book of your choice from home to read at least 15 minutes per day. Or have a look on the below website for a range of books in their digital archive - it only takes minutes to create a free account: https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/</p>
Grammar	<p>There are some fun videos and activities to help learn about different grammar rules and word groups. We will be directing you towards the best activity depending on the stage we have reached in our class learning. https://www.bbc.co.uk/bitesize/topics/zrqqtfr</p>
Spelling	<p>Oxford owl has a great website which breaks down all the key year 2 spelling rules. We will guide you to the rule we would like the children to practise for the week. - repetition is key for embedding spelling learning!</p>

	https://home.oxfordowl.co.uk/english/primary-spelling/spelling-year-2-age-6-7/
Topic	<p>Oak National Academy</p> <p>For this period we would suggest completing a mini project based on a Village, Town or City of your choice. The below link has a host of activities.</p> <p>https://classroom.thenational.academy/units/villages-towns-and-cities-28b9</p> <p>You could also:</p> <p>Complete a car survey on your street and complete a tally chart.</p> <p>Draw a plan of something you would love to have in your place e.g. a theme park, a new soft play centre etc.</p> <p>Keep a weather diary.</p> <p>Make a junk model of your house.</p> <p>Explore the different buildings in your place, what they look like and what they are used for.</p>
