

Attention Center School District Fans:

The Jackson County spectator guidelines include a 100 person capacity limit for outdoor events. As members of the of the Missouri River Valley West Conference, MRVC, the conference agreed to provide each participating team with 50 fan tickets per game. For Center School District, that means our football team only has 50 tickets to distribute for home games.

Due to capacity limitations, only fans with issued game tickets are allowed to watch sporting events from inside the stadium. The Center School District is also asking our community to help follow guidelines outside the stadium by eliminating gatherings. In an effort to maintain safety for all, we will work to adhere to these public health guidelines. Thank you for your partnership.

For fans who can not attend, we will livestream the game on our HIVE TV CHS YouTube Channel:
