

Caring for your Chromebook

Charge your Chromebook every night.

Find a safe place to keep your Chromebook.

Carry your Chromebook in a hug with two hands.

Keep your Chromebook away from food and drinks.

Use gentle hands to type and close your Chromebook.

Stay safe by only visiting approved sites and apps.

Ask for help if your Chromebook is not working or behaving.

Remember your login and password.

Be private. Keep your password to yourself and your trusted grownups.
