OTHERS IS A
SAFE SCHOOL
PROBLEM**

If we don't know what a word or symbol means, should we use it?

Please make sure you know what you are saying before you say it.

One of our challenges today is that people are using their free speech rights in both the real and virtual worlds to propagate hate, cruelty, and disrespect.

Remember, kindness is free, it can improve a person's day, and it is expected and Creekside Elementary!
