

MEALS ARE ON US!

Davis School District offers free meals to all enrolled students beginning September 21st

- Meals are being sponsored by the Department of Agriculture and will be provided through December 18th or until funding runs out.
- Grab 'n Go meals will be provided at any school for enrolled Davis Connect students and those on remote learning schedules. ID #s are required and students must be present to receive meals.
- Check your school for distribution times.
- Special diet options must be ordered by 8:30 am through the kitchen manager at the student's home school. Proper documentation is required.

Parents are encouraged to apply for free and reduced meals so when the funding expires the district will be able to continue benefits for students.
