

Dear Parents of Current 9<sup>th</sup> Grade Students,

Stafford High School 9<sup>th</sup> grade students will take the Preliminary SAT 8/9 (PSAT 8/9) on Thursday, **October 15, 2020**. The PSAT™ 8/9 is the first test in the SAT Suite of Assessments. Designed for eighth and ninth-graders and tightly aligned with the SAT® and PSAT/NMSQT®, the PSAT 8/9 establishes a baseline for college and career readiness as students enter high school. Stafford Municipal School District funds this initiative for 9<sup>th</sup> students in an effort to better prepare them for college level entry exams.

On testing day, students must **report to the back of the school (student lot) by 7:30 am.**

***This test will be administered face to face.*** It is essential that everyone is on time so that we may begin testing by 8:00am. It is a timed test and the start time cannot be delayed. Testing will take approximately 4 hours to complete. *If your student has opted in virtual learning, they may leave after testing is complete.* We encourage students to get a good night's rest and eat a healthy breakfast prior to testing so they are focused and ready.

Please bring:

- Student ID or Form of ID
- Mask (if you do not have one, one will be provided)
- Pencil
- Packaged snack

Prior to participating, students will be screened via questioning by school employees for any new or worsening signs or symptoms of COVID-19. Students will be testing in the gym areas to adhere to 6ft social distancing guidelines.

Students can prepare for the PSAT 8/9 by doing their best in school. Students may also visit Khan Academy at [www.satpractice.org](http://www.satpractice.org) to create a free account to access personalized practice recommendations based on previous years' test results or the results of a series of diagnostic tests.

We hope that you will take time to review all available resources and help your student prepare for their upcoming test. If you need any further assistance please reach out to our Campus Testing Coordinator, Jerrae Bazile, [jbazile@staffordmsd.org](mailto:jbazile@staffordmsd.org).

Thank you,

*Raymond Root*

Raymond Root, Principal
