Biography

My name Maria Patricia Mon. I am a graduated from the University of Texas-Pan American where I graduated with a major in Biology and Health including a minor in education. In 2020, I completed my Master's degree in Curriculum and Instruction in Science Education. I have been teaching for 22 years. I am proud to be a member of the STPA family for 10years. I enjoy reading science and health books in my free time.
