AUTOBIOGRAPHICAL ESSAY

Compose an autobiographical essay on a separate sheet of paper. Your essay should be no more than 1000 words. Use this as an opportunity to introduce yourself to the scholarship selection committee. This is your chance to share with them any significant accomplishments you have made, any pertinent goal-shaping events that have happened in your life, or explain how people with whom you have connected have impacted your life and your direction in future. It is also an opportunity to share detailed information about financial need, education/career goals, and/or extracurricular activities. Be sure to check for spelling and grammatical errors in your essay. Neatness and quality are definitely important.
