

Students applying to grades 7-12 complete the online Applicant Questionnaire through their online application checklist. Interviews with the Division Director for applicants to grades 7-9 are scheduled with the Admissions Office after the online Application Questionnaire is submitted.

This year, applicants to grades 7-12 will submit online responses to the following six prompts:

1. Please describe what you are looking for in a new school for next year.
2. What are your 3 favorite things about yourself?
3. What are 3 things you would like to improve upon?
4. How have the changes due to COVID-19 impacted you as a learner?
5. Norfolk Academy chooses an overarching theme for each academic year. This year's theme is courage and the following quote is one we chose to articulate this important character trait.

*"I learned that courage was not the absence of fear, but the triumph over it. The brave man is not he who does not feel afraid, but he who conquers that fear." –Nelson Mandela*

Please describe a time when you displayed this type of courage. How did it affect you and what did you learn about yourself from the experience?

6. What other schools are you considering?

Please contact [Brian Jarvis](#), Associate Director of Admissions, with any questions about the Applicant Questionnaire.
