## Message from the Principal

I hope that this message finds you and your loved ones healthy and happy. It's hard to believe that we are just about a month into school. Although the hallways are super quiet and we miss the students dearly, the zoom classes are where the action takes place! I am very appreciative of the patience, creativity, and high expectations that our teachers have shown your children. If you feel the same way, please be sure to email your child's teachers and share with them your appreciations. Gratitude and empathy bring us strength. ~ Elise Simmons

## #SBHSSTRONG

A quick update on our work last spring to help families affected by the pandemic: our awesome SBHS community donated \$76,000 in March and April to give financial assistance to families impacted by the pandemic. Working with our school's family liaison, 130 families received cash assistance for rent, groceries, medical bills, etc. We still have some funds available for families. If you are a family needing extra help due to COVID-19, please contact [mariajimenez@sbunified.org](mailto:mariajimenez@sbunified.org) or your child's academic counselor.
