

## Family Engagement Opportunities

Our Counseling Team has put together two informative webinars for our freshman and senior families. Both will be in Spanish and English and will be recorded. The recordings will be posted on our website.

**Freshman 4II - Wednesday,  
Sept 16th from  
6:30-7:30pm.**

If you have a 9th grader, please join us:

## Mental Health Support

We wanted to take a moment to make you aware of the mental health and parenting services that we are currently offering. We have two different types of parenting classes for you to choose from and both will be offered in Spanish and English. Please sign up these workshops, right away, as space could be limited.

We also wanted to take a moment to introduce our Family Services Agency (FSA) team at Santa Barbara High School.

### FSA Workshops FSA Team

If you are concerned about your child's mental health and believe that your child would benefit from mental health counseling, please contact your child's academic counselor or email the Dean of Student Engagement at: [amendoza@sbunified.org](mailto:amendoza@sbunified.org). Please make sure you get your child's consent before reaching out to the academic counselor or Dean. We can not start the referral process for mental health counseling until we have consent from the student.

## Advanced Placement (AP) Testing

If your child is in an AP course and they want to take the end of course exam, there are TWO steps that need to be completed!

1. Join the teacher's online section through the [College Board website](#). AP teachers have provided the appropriate join codes to their classes.
2. Pay for the exam through the [SBHS Business Office](#). For students taking their AP course(s) in the fall, **the deadline to avoid the \$40 late fee is Nov 13th**. Exams are \$100 each or \$15 each for students who qualify for free/reduced cost lunch. If you have any questions, **please email Mr. Dupont at [ddupont@sbunified.org](mailto:ddupont@sbunified.org)**.
