Mid-Term Progress Reports

Please check out how your child is doing in their classes by viewing their NEO classes. Encourage your child to complete their work. **You will be able to see their grades in Aeries some time during the week of Sept 28th.** These are just progress grades, not final grades, so your child has time to improve their grade. Email their teachers if you have any questions.

Technology Support

We have headphones, hotspots, stylus, and mice available to students. Please note that we have a limited supply of these items and distribution will be prioritized to students who are in most need. Contact Cailee Villaseñor cvillaseñor@sbunified.org (805) 966-9101 x5003 if you need any of the items listed above.

Having issues with your iPad? Please have your student submit a tech ticket (email support@sbunified.org through their school email address). You also may call the Tech Helpline: (805) 696-2700 or visit the SBUSD Office from 8am to 4pm.

Athletics Update

Beginning the week of September 21st, on-campus athletic conditioning will begin for the Fall sports. The fall sports are: football, sideline cheer, girls volleyball, boys volleyball, girls waterpolo, boys waterpolo, and cross country. All student-athletes wishing to participate in the voluntary conditioning must complete the Athletic [Clearance packet](#), which can be found on our website. In addition, a current physical must be on file. If you have any questions, please email our Athletic Director Todd Heil at theil@sbunified.org.
