

Patriot Nation, we are very excited that our student athletes are back in action this week. We truly appreciate everyone's support and understanding during this time. Our home games will look a little different this year as we strive to keep everyone as safe as possible. Please see the guidelines below for home volleyball and football games this season. Thank you to everyone in advance for your cooperation in making sure all of these policies are adhered to for the health and safety of all involved.

Baker Mabry  
Athletic Director

### **Volleyball Home Game Information**

- We are only allowing immediate family members to attend the games at this time. This includes parents and siblings only. Non-immediate family members are not permitted and cannot take the place of a non-attending immediate family member.
- Family groups can sit together, but must remain socially distant from others at all times.
- A COVID questionnaire for players, coaches, and immediate family members will need to be submitted the day before each home game or at the gate before entering.
- The visiting team will be providing a pass list prior to each of our home games with their immediate family members only. Anyone that is not an immediate CDS family member or an immediate family member of the visiting team will not be admitted into the game.
- We will be streaming the game live for anyone else that is unable to attend that would like to watch. We will provide the link for you to share as soon as it's available.
- We are hoping to add a limited number of students, but this will not take place until after the start of the season (home opener) at a minimum. The home opener will allow for us to evaluate the amount of seating remaining to potentially add a limited amount of students for the remaining home games.
- We will be doing temperature checks on all spectators at the door before entering the gym.
- Players and spectators will need to sanitize hands upon entry to the gym.
- All fans are required to wear a mask at all times unless eating or drinking, and again, must remain socially distant from other families.
- Coaches must wear masks at all times. Players will wear a mask while on the sidelines and have the option to wear a mask while playing.
- CDS Security Staff, Administration, Athletic Staff, and Coaches will be on site to ensure all safety protocols are being followed.
- Spectators who are not following social distancing and mask protocols will be asked to leave the premises.

## Football Home Game Information

- We are only allowing immediate family members of players and cheerleaders to sit in the bleachers. This includes parents and siblings only. Non-immediate family members are not permitted and cannot take the place of a non-attending immediate family member.
- Family groups can sit together, but must remain socially distant from others at all times.
- Portable bleachers will be placed on the far side of the field where 50 students will be allowed to attend. This will be done via a lottery system.
- A COVID questionnaire for players, coaches, and immediate family members will need to be submitted the day before each home game or before entering the game.
- The visiting team will be providing a pass list prior to each of our home games with their immediate family members only. Anyone that is not an immediate CDS family member or an immediate family member of the visiting team will not be admitted into the game.
- We will be streaming the game live for anyone else that is unable to attend that would like to watch. We will provide the link for you to share as soon as it's available.
- We will also be doing temperature checks on all players and spectators at the gate before entering the field.
- Players and spectators will need to sanitize hands upon entry to the gate.
- All fans are required to wear a mask at all times unless eating or drinking, and again, must remain socially distant from other families.
- Players on the sidelines will wear a mask when social distancing is not possible.
- Coaches will wear a mask at all times.
- CDS Security Staff, Administration, Athletic Staff, and Coaches will be on site to ensure all safety protocols are being followed.
- Spectators who are not following social distancing and mask protocols will be asked to leave the premises.
