

### **Sunrise building tours**

We're excited to invite all incoming 6th graders and any 7th & 8th graders who are new to Sunrise for a guided tour of the building. The tours will take place on Tuesday and Wednesday, September 8 and 9, with families dropping off students at Door A (the main entrance) and picking them up at Door V. To sign up, please [click here](#) and complete the form. To ensure student safety and social distancing, there will be a limit of 12 students for each 15-minute tour and students will be split into two smaller groups of 6. No other family members or friends will be permitted in the building, and masks must be worn by students on this tour.

### **Full day and after school programming for all middle school students**

FLEX is offering full day and after school programming for all middle school students at Central and Sunrise this fall. For students of Tier 1 Critical Workers as defined by the State of MN, free programming from 8 am - 3 pm is available for your child on their non-classroom days Monday through Friday. For any student, they can register for programming from 8 am - 3 pm for a fee. All students will receive support for their independent learning days, and be provided with space and resources to complete coursework. In addition, students will participate in enrichment and recreation opportunities in small groups. FLEX will also offer after school programming from 3-5 pm, Monday through Thursday.

- All students must be pre-registered to attend this program.
- Go to [isd624.org/Fall2020SchoolAgeCare](https://isd624.org/Fall2020SchoolAgeCare) or [communityservices.isd624.org/youth/flex](https://communityservices.isd624.org/youth/flex) for more information.
- To register go to [whitebear.ce.eleyo.com](https://whitebear.ce.eleyo.com)

### **Schedule release Sept 1 at 6 pm**

In order to view schedules, the Skyward Annual Family Update must be completed. The update will only be available in Family Access (parent login), not Student Access (student login). Login to Skyward [here](#) or by using the link provided on the Sunrise Park website "[Tech Tools](#)" page. Contact the WBL Technology Department at [parenttechhelp@isd624.org](mailto:parenttechhelp@isd624.org), call 651-407-7637 or go to [Skyward Family Annual Update Parent Instructions](#) for help.
