INTERROGATIONS BY LAW ENFORCEMENT OFFICIAL

The School District has responsibility for students during the school day and during hours of approved extracurricular activities. It is the responsibility of the school administration to make an effort to protect each student's rights with respect to interrogations by law enforcement officials. Therefore:

1. When law enforcement officials find it necessary to question students during the school day or periods of extracurricular activities, the school principal or designee shall be present when possible. An effort shall be made to contact the parent or guardian of the child so that he or she may be notified of the situation.
2. If custody and/or arrest is involved, the principal or designee shall request that all procedural safeguards, as prescribed by law, will be observed by the law enforcement officials.
