Dear Parent and Researcher:

I hope this letter finds you well. We are sending this letter to inform you that we will be canceling state testing for WAY Michigan this fall. According to the Michigan Department of Education, "Schools are encouraged to work with their local health agencies to determine if students can be brought into school or an off-site location safely to test when utilizing some or all of the flexibilities offered." Based on WAY Michigan being a cyber school we rely on off-site testing locations to provide the state testing to our students. Since we do not have control of the quality of cleaning at each of these locations and under the circumstances of COVID-19 we do not deem it safe for our staff or students to participate in state testing this fall. If you have a student that was planning on taking the SAT, we can provide a test fee waiver for you to take the SAT on a Saturday at a College Board testing center. Students need to go to <https://colgereadiness.collegeboard.org/sat/register/find-test-centers> to locate a testing center near them. If you have any questions or concerns, please feel free to call the office at 313-638-2716 or email us at enroll@wayprogram.net.

Sincerely,

James Middleditch
Director
WAY Michigan
