## **Debt Transparency Pledge**

In an effort to raise more transparency into local spending and debt obligations, Duncanville Independent School District pledges to post details of our bond and debt information on our website no later than one business day after the public notice of the bond election. This information will include information about the bond package(s) that is up for vote, if we have one and current outstanding debt obligations including bonds, certificates of obligation and other debt, and the date of the election.

Duncanville Independent School District further pledges to notify the Comptroller's office via email to [Transparency@cpa.state.tx.us](mailto:Transparency@cpa.state.tx.us) when the bond election information has been posted to the entity's website. The email will include a link to the bond election information.
