

Dear Remote Learning Academy Parents,

Welcome to our virtual school! RLA is a new and unique school and we are all making history together during this unprecedented time. We have all had a glimpse into what this school will be like for our students based on our distance-learning plan from March – June last school year. Our Kindergarten students are entering into school with a completely new experience, one that we will be experiencing together for the first time.

Communication will be extremely important as we learn together. Please contact your classroom or homeroom teacher with any problems. [Reghelp@fairfieldschools.org](mailto:Reghelp@fairfieldschools.org) can assist with IT issues. If your issues cannot be resolved, please contact me [eroxbee@fairfieldschools.org](mailto:eroxbee@fairfieldschools.org).

Dr. James Zavodjancik and I will be hosting a webinar on Tuesday, September 8 at 7:00. A link is on our district website. We will try to answer any remaining questions you may have. Mr. Cummings also hosted a webinar last week. A recording of the webinar is on our district website. Our open house will be held for classrooms at 7:00 on September 21. I will be presenting a virtual meeting at 6:00 with an overview of RLA. More information will be shared with you as we get closer to that date.

Thank you for your patience as we build this new program. I hope you and your family have a GREAT school year.

Eileen O. Roxbee

Principal

Remote Learning Academy
