

SCHOOL UNIFORM & EQUIPMENT 2020

SCHOOL UNIFORM & APPEARANCE

For full details of rules on school uniform and appearance, please refer to the Pupil Handbook issued to pupils on entry to the School.

The majority of the Royal Hospital School uniform is available online through an independent school uniform provider, Schoolblazer, at www.schoolblazer.com. This is an easy-to-use website with a unique intelligent sizing system.

Pupils are required to wear school uniform as supplied by Schoolblazer and listed below. Boarding pupils are required to have the quantities of each item stated. There are recommended quantities for day pupils. All items are compulsory except those marked 'O' for optional and where stated.

REPLACEMENT UNIFORM

Although primarily parents' responsibility, matrons will check boarders' uniforms for size and condition throughout the year and will advise parents when they think that new items are needed. Parents should then order the items from Schoolblazer to be delivered to the School. Please note that the School cannot ordinarily order items on behalf of pupils.

SCHOOL SHOES

Boys' shoes must be of black leather that can be polished and suitable for all weather conditions. They must be plain black, laced or slip-on formal shoes with no buckles or decorations. In the Sixth Form they should be in keeping with a business-style suit.

Girls in Years 7 - 11 must wear plain black flat shoes, which can be polished. They must be lace-up, slip-on or with a strap, and must have a sturdy sole suitable for all weather conditions; strapless pumps or fabric shoes are not acceptable. The same rules apply in the Sixth Form, but shoes should be in keeping with a business-style suit; patent leather and small heels (1½ inches) are permitted.

CEREMONIAL UNIFORMS

One naval uniform (worn for ceremonial occasions) including shoes will be provided and fitted by the School. Any damage to this uniform, which is not a result of fair wear and tear, will lead to additional costs. Parents of girls should provide hair accessories, if necessary e.g. black or dark blue hair bands or scrunchies or a bun net and grips to match colour of hair.

COMBINED CADET FORCE (CCF) UNIFORMS

A CCF uniform (where appropriate) is provided by the School and issued to all pupils in Year 9 and 10 and those who have opted to do CCF in Year 11 and above. Any damage to this uniform, which is not a result of fair wear and tear, will lead to additional costs. Both boarders and day pupils should keep their CCF uniform at school. A charge will be made for boots, jungle hat and CCF name tapes.

SPORTS KIT

Most items are available to purchase online via Schoolblazer. The list below indicates which items are compulsory and the required quantities for boarders and day pupils. Optional items (O) may or may not be required depending on whether your child is in the school team. We recommend that you only buy the items required for the Michaelmas Term in the first instance.

Girls	
Pants	10 pairs (minimum)
Bras, mainly white or natural	4
Socks/tights - for casual wear	4 pairs

LAUNDRY SERVICE

All the boarding houses have facilities to wash and tumble-dry personal clothing and any items that require laundering at short notice. Matron is responsible for organising the washing and drying of casual clothes, sports kit and uniform and the following items are collected regularly from the boarding houses for washing and drying by the School's laundry service:

- Bed linen
- Towels
- Uniform blouses and shirts
- Uniform skirts
- Uniform jumpers
- Uniform trousers
- Uniform blazers
- Uniform Sixth Form suits
- Uniform sports kit
- CCF kit
- Ceremonial uniform

It is recommended that all clothing is washable rather than 'dry clean only' and can be tumble-dried.

END OF TERM ARRANGEMENTS

Pupils should take all their belongings home at the end of each term for washing, repairs or, if necessary, replacement. If pupils are travelling overseas, alternative arrangements may be made for storage.

OTHER SCHOOL EQUIPMENT

- A school bag (rucksack) large enough to hold A4 folders is compulsory for all pupils in Years 7 – 9
- Pencil case
- Writing pen
- Set of fibre tips
- Set of pencils
- Set of coloured pencils
- Ruler (at least 30cm)
- Geometry set containing protractor, compasses and 2 set squares
- Scientific calculator (can either be purchased through the School's Mathematics Department at a cost of £9 each or through Schoolblazer)

MOBILE PHONES

Pupils are allowed to bring mobile phones to school but please refer to the Pupil Handbook (issued to pupils on entry to the School) for rules regarding their use.

THE RHS IPAD SCHEME (YEARS 7 – 11)

All pupils in Years 7 to 11 are required to have an iPad as part of their school equipment. These are used in the classroom under the guidance of experienced teachers, as part of a careful blend of progressive educational technology and traditional teaching methods. They are also excellent learning tools which encourage independent learning, inquisitiveness and an appetite for knowledge.

iPads have been embedded in our teaching and learning at the Royal Hospital School for five years and we are committed to this approach. The School has recently been recognised as a beacon school for technology, as an Apple Regional Training Centre and through 360 degree Online Safety Mark accreditation.

There is full Wi-Fi access across the site and our systems have been configured so that pupils can safely and securely use their iPad to communicate through authorised online channels such as email and task manager, manage their time effectively and have full access to document files and resources.

Through significant advances in both software and hardware, our teachers and pastoral staff are able to take a greater level of control over pupils' school devices. In the classroom this is through the use of Apple's Classroom app and using Bluetooth technology which enables teachers to control the use of apps and the network. This reduces the level of digital distraction, thereby increasing the emphasis on the iPad as a tool for learning.

iPads are supplied by the School on a lease agreement and, as part of a termly hire cost, a protective case, security software and an iPad protection scheme covering accidental damage, fire and theft (but not loss) are included. These devices should be used for school work only and will be configured and distributed to new pupils at the start of term.

The School also supplies pupils with relevant educational apps and online text books and can restrict VPNs (Virtual Private Networks) and apply age-related security and filtering systems.

FAQs

WHAT IF I ALREADY HAVE AN IPAD?

All new pupils will need to participate in this scheme to access a device that can be used in class. If your child already owns an iPad, he or she can use this for non-school purposes. In connecting to the school network these personal devices will be protected by the same security and filtering systems.

WHAT MODEL IPAD WILL IT BE?

The model will be the iPad 128GB and will include a protective case. As the devices are renewed every three years, your son or daughter will have access to an up-to-date machine, properly supported and capable of operating the apps that the School will be using for educational purposes.

HOW SECURE WILL IT BE?

Very. As well as the normal age-related security and filtering systems, the school will define the apps available to pupils. This will enable us to restrict the use of Virtual Private Networks (VPNs) which can potentially be used to bypass security arrangements at the school.

WILL MY SON OR DAUGHTER GET A BRAND NEW IPAD?

Yes, on joining the School in September. After the specified three year replacement period, there will inevitably be occasions when the iPad made available will not necessarily be new but all devices will be less than three years old and will only remain in the pool if they are fit for purpose as an educational support tool for your child.

WHAT WILL IT COST?

£52.50 per term which includes a protective case, security software and an iPad protection scheme covering accidental damage, fire and theft (but not loss).

WHAT IF THE IPAD IS LOST OR DAMAGED?

The iPad will be insured for accidental damage, fire and theft. There are a maximum of 3 claims in any three year period and a maximum of 2 claims in any 12 month period.

Should an iPad be lost by a child then the cost of replacing the device will be charged to the parents but this could be covered by personal insurance taken out by the parents.

DOES THE SCHEME APPLY TO SIXTH FORMERS?

No. Many will prefer the traditional file organisation systems of a laptop and we find that most educational apps and subscription services are available as browser versions. See next page for further information.

LAPTOPS (YEARS 12 & 13)

Sixth Form pupils do not need a school iPad but are likely to need some kind of mobile device such as a laptop or tablet. We do not have a policy regarding the type of technology our Sixth Form pupils should use but have recognised that most are choosing a laptop alongside a smartphone rather than an iPad.

Sixth Form pupils with their own devices will be provided with network access, printing support, Office 365 and OneDrive cloud storage solutions by the School.

OTHER ITEMS (ALL PUPILS)

MONEY

We recommend that parents provide a pocket money allowance of £25 per term for day pupils, £50 per term for boarders in Years 7, 8 and 9 and all 3-Night boarders and £75 per term for boarders in Years 10 to 13. The Finance Department will add this to parents' extras bills accordingly and the amount will be credited to the pupil's pocket money account held by the houses, and issued by the house staff as requested. Any parents wishing to vary the recommended amount – up or down – should email feequeries@royalhospitalschool.org at least 3 weeks before the end of term to provide time for the following term's bills to be amended. Pupils are required to leave any cash with the house staff for safekeeping.

ELECTRICAL ITEMS

Pupils may bring items such as hairdryers (provided they do not exceed 1200 watts and 5 amps), radios, iPods/MP3 players, iPads/tablets and laptop computers. They may not, however, bring televisions, cooking equipment or any high-powered electrical items. If you are unsure whether a particular item is permitted, please consult the Housemaster/Housemistress in advance.

It is a legal requirement to ensure that all electrical equipment is safe to use, therefore, all electrical appliances are tested annually under a process known as Portable Appliance Testing (PAT). School staff conduct this annual testing and any equipment that fails is confiscated and handed to house staff. Please note that from experience, it is overseas travel adaptors that most commonly fail these tests and it is therefore recommended that only adaptors purchased in the UK are brought to school.

BICYCLES

Pupils may bring a bicycle to School if it is required for getting to a co-curricular activity. Bicycles must be in a good state of repair and parents or guardians must give permission by completing the relevant form. Parents or guardians must also take out private insurance for the bicycle and the School cannot accept any responsibility for its safety. Pupils must wear a safety helmet at all times and obtain permission from the house staff before riding the bicycle on a public highway. Pupils can read further details on the rules of bicycles in the Pupil Handbook.

INSURANCE

Please be aware that personal effects and valuables are not covered by the School's insurance. Furthermore, the School regrets that it cannot accept responsibility for pupils' property either on its premises or in connection with any of its activities. You are therefore advised to insure personal property, money, uniform and equipment on loan. Most insurance companies are happy to extend existing household policies and to arrange separate 'all risks' cover for a low additional premium.

LABELLING & ORDERING

All clothing must be clearly marked with name tapes. The tapes must include the child's first name, surname and house abbreviation as shown below.

Alternatively, we suggest that enough space is left after your child's name to insert an abbreviation at a later date with a laundry pen. When pupils move from a junior house to a senior house, or into Nelson House, items must be re-labelled accordingly.

e.g.

Jonathan Smith DK

Jonathan Smith

The house abbreviations are as follows:

AN	Anson	HK	Hawke
BK	Blake	HD	Hood
CD	Collingwood	HW	Howe
CS	Cornwallis	RL	Raleigh
DK	Drake	SV	St Vincent

IMPORTANT NOTE - As detailed in the Schoolblazer information attached to the end of this brochure, items purchased via Schoolblazer can usually be labelled free of charge. However, due to the current situation with the Coronavirus, Schoolblazer have taken the decision that they will be unable to apply name-tapes this Summer to minimise product handling.

Schoolblazer hope to be able to return to their full service in due course but, in the meantime, for this summer they will waive the cost of name tapes and include them in the basket for all parents who order them.

Name tapes are also available at <http://www.jjcash.co.uk>. Boots, shoes and other personal non-clothing items should be marked in permanent ink.

The School strongly recommends that valuable items such as iPads, watches, pens, laptop computers etc are engraved with the owner's name and declared to the Housemaster or Housemistress on arrival, so that if lost they may be returned quickly to their owner.

DELIVERY

Schoolblazer normally delivers to home addresses; however, for convenience, pupils living overseas may prefer to have their uniforms delivered direct to the School. The address to be given to Schoolblazer should be as follows:

Pupil name and boarding house name (*all on one line please*)

Frequently Asked Questions

How do I know what sizes to order?

We ask you to input your child's measurements and our Intelligent Sizing System will indicate the recommended size on the shopping page. However, this is a suggestion only, based on the measurements you have entered. Should you wish to choose an alternative size, you can use the drop-down menu to select this.

What if I need to return an item?

We offer a free returns service so please return any item unsuitable using our online returns tool, and we will either refund or exchange as required.

Do I have to pay for name tags?

We only charge for the cost of the name tags and sew them in free of charge.

How long will my order take to be despatched?

We promise to despatch orders within 3 working days, and more swiftly than this wherever possible.

I need an item that is showing as out of stock on the website, what should I do?

As an online retailer we typically hold much higher levels of stock than a high street store, but if an item you require is showing as out of stock, please place your order and we will work to supply this as quickly as possible.

What if I need further information or help with my order?

Our Schoolblazer website features lots of useful information including a How to Shop video and more Frequently Asked Questions. Alternatively you can call our Customer Services Team on 0333 7000 703 and they will be happy to help.
