

EXPLORE

FIRST® LEGO® League: Explore Camps

Build and program simple LEGO Robots! This camp is designed for boys and girls ages 6 - 9. Fire up your imagination to solve problems. Explore science and engineering, build and program motors and sensors using the LEGO WeDo2.0 set.

This camp is held at the EmBe Downtown location (300 W. 11th Street), from 8:30 am to 12 pm. Each camper receives a mid-morning snack each day, and a camp T-Shirt.

This camp is best suited for students who haven't been a part of a FIRST LEGO League: Explore team before.

Visit EmBe.org/firstlego/ to learn more or to register.

Scholarship opportunities available.

EmBe is committed to being accessible to all regardless of inability to pay. Contact Jeremy Haugen at jhaugen@embe.org with any questions.

Why EmBe?

Developing strong, resilient youth is at the heart of EmBe's mission to enrich the lives of women and families. *FIRST* LEGO League introduces STEM learning and teamwork, while inspiring interest in STEM careers, school engagement increases and gain in work-life skills.
