

Public Participation

For anyone who would like to speak during public participation, as part of our public participation policy, we ask that you sign up. If you are here in person, the sign up sheet is located at the white table by the entrance. You will be called to speak in the order of the sign-up sheet.

If you are participating via Zoom, please submit your request via email to Maria Noyola at mnoyola@esd20.org. Please include your name, affiliation with the District, and name displayed on your Zoom screen. When your name is called on Zoom, we will unmute you at that time.

1. Please state your name.
2. Please tell us your relationship to District 20 (*Are you a Parent? Staff Member? From which school?; Are you a Community member? Visiting government official? Reporter?*)
3. Please limit your comments to five minutes and abide by the Public Participation Board Policy.

Please note that Board Members will not be responding to public comments during this meeting. We will address questions and concerns after the meeting by compiling a list of questions with answers on the website under a FAQ page. You may also submit questions to info@esd20.org.

Our goal is to provide as much open communication and collaboration with the community. Thank you for your patience as we work through our Return to Learn process together.
