

GROWING TOGETHER

Where are we going?

Our spacious 8.8 acre property comes with tremendous opportunity for educational growth, community outreach and financial independence. Its central Sarasota location, only four miles from our current campus, further expands our accessibility to families extending from Sarasota, Manatee, Venice & beyond. Join us as we continue to build upon our history, while owning our future!

"Hershorin Schiff Community Day is the future of Jewish education and day schools. It breaks down walls and encourages tolerance, inclusivity and the Jewish spirit ... I am confident this will be a model for others around the country."
