

VOLUNTEER

All that's missing is U!

Welcome Parents,

Thank you for choosing to volunteer at our school. We welcome all the help we can get. The volunteer process is simple but has a few steps.

In order to volunteer you must:

1. Come to our office and see our staff. You will be asked to bring in your Identification or Driver's License as well as your TB test.
2. Once you have provided the information, our Liaison will send your information to the District's HR department.
3. Once your information has been approved, our staff will contact you so you may schedule an appointment for fingerprints.

Fingerprinting can take 1 - 2 weeks to be cleared.

The first 15 parents to be fingerprinted will be charged \$15. After the school has reached our limit of 15 parents will be charged \$63.
