Each family has two school accounts: (1) a declining balance account for lunch charges and (2) a general account for tuition, fees and all other non-lunch items. Students are provided a lunch card that is used to debit from the FACTS account. Parents are required to deposit money in the family lunch account in advance of purchases and must maintain a positive balance at all times. Parents can monitor purchases daily through the FACTS account.

Payments to the school must be made by checks or cash. Parents may pay using an e-check on the school's FACTS account, but there is a small service fee for this option.

Tuition and fee charges are late if not received by the last day of the month. A finance charge of 1.5% (annual rate 18%) is assessed each billing cycle on a balance due from previous billing. Access to FACTS, report cards and transcripts are not provided for any students whose account is past due as stated in the school financial policies.
