

The SAINT THOMAS' FUND

Small Community, Large Contributions

The Saint Thomas' Fund provides students in grades Pre-K through 12 with the tools and resources they need for academic success.

INSPIRE

Established in 2005, the Saint Thomas's Fund is a community-wide fundraising priority for the school. All money raised helps fulfill needs that would not be possible with tuition dollars alone, from curriculum enhancements and faculty seminars to technology upgrades and campus beautification. The five-week campaign is held annually in the fall and is inspired by three focus areas:

- Student Resources
- Campus Enhancements
- Professional Development

IMPACT

Hundreds of school-wide endeavors are funded annually by parents, alumni, and friends who care about the classical Christian education the students at Saint Thomas' Episcopal receive. Over the years the Saint Thomas' Fund has had a tremendous impact and has funded more than 1,200 projects across all grade levels.
