

HOLT School Community Council
January 9, 2020

1. Review school cell phone/electronics policy:

Students are using phones before & after school, at recess, and occasionally in class. Some cell phone use has led to discipline. The current electronic device policy will be updated. Once students get to school, devices need to be turned off and put in backpacks.

2. Determine school's greatest academic needs:

- Review of current funding-Trust Funds
 1. Near \$50,000) is being used for tutors. Community Council members believe they should continue to use next year's Trust Land Funding to pay for TA's.
- We will begin talk regarding SIP goals for upcoming school year. When mid-year data is available, goals will be considered and created
- Considering adding student programs at Holt-students are interested in a Comic Book Club. Other ideas discussed: Karate Club, Chess Club, Fitness Club (Yoga, Pound), Arts and Crafts club, DARE, RAD Kids, Card Making,

New Bookshelves have been ordered for the library

Funds were donated to the school and they were used to purchase new 5th and 4th classroom furniture

All grades received new furniture this year

"It Pays to Read" incentive and assembly in March
