

Parent/Family Commitment Pledge

We've all heard the saying "it takes a village to raise a child." In 2020, this is more true than ever and our "villages" are facing an unprecedented crisis as we struggle to continue our children's education in the midst of a global pandemic.

I would like to ask you to consider the village concept as it relates to keeping our classrooms open and our students in school. Convent & Stuart Hall has worked diligently to address the challenges of COVID-19, and has instituted multiple precautions to prevent disease transmission in the school setting. While the virus is still active without a mitigating vaccine, we need the help of the entire village to keep our faculty, staff and student and family community as safe as possible.

The activities that take place in our children's lives outside of school will directly affect our ability to keep one another healthy and continue in-person learning. If our Sacred Heart families can work together as a village to protect our children outside of school, there will be fewer cases brought into the school, keeping faculty and staff along with our children healthy, and thus increasing our opportunity to keep classrooms open.

With this in mind, please read and review the pledge below. Your signature indicates your commitment to do your very best to help keep COVID-19 away from your family and thereby out of our Convent & Stuart Hall community.

Community Health Commitment:

I understand that SARS CoV-2 (the virus that causes COVID-19) is transmitted through respiratory droplets passed from person to person through speech, sneezing and coughing. The risk of infection is increased when interacting with people outside of the home. I understand it is important to limit mingling with people outside of the home, and I am committed to keeping my contact circles small and safe. To prevent infection I will maintain physical distance from others, wear face coverings and practice good hand hygiene. Furthermore, I will abide by all mandates set forth by San Francisco City and County Officials including when I am not in the city itself.
