After-School Activities 2020-2021

After-School Activities

Dear Parents,

We are happy to share with you ASM's After School Activities (ASAs) Handbook for 2020-21. ASAs this year will look a bit different due to the many adjustments we have had to make as a result of the COVID-19 pandemic. We decided to cut several of our activities as there simply wasn't enough space in some facilities to provide distancing, and in other cases, we have decided to put some activities on hold as we felt they involved too much contact.

Also this year, we are trying something different with our divisional plays. Each play will run for a 'trimester' (same as sports seasons) which we feel will give the actors a better chance to learn and remember their lines and blocking and also create easier facilities sharing for our several plays. This will also allow a thespian to be in a play one season, but do some other activities (such as a sport) in the other seasons.

We regret that we are not able to offer the full traditional array of ASM ASAs this year, and we look forward to returning to the full slate of enriching activities in school year 2021-22.

Finally, also as a COVID measure, we will not open the cafeteria at the end of the day for snacks and won't allow students to be milling around there before ASAs. As a result, we do recommend that you send a healthy after school snack with your child to eat between their last class and their ASA.

Thank you,
Wayne Rutherford
Director
American School of Milan

Registration and Transportation

Online Registration

Registration for Varsity Sports, Middle School Sports, and the Elementary Musical begin the first week of school, the 1st of September. Registration for all other activities begins at 9:00 a.m. Wednesday, September 16th, and closes at 3:30 p.m. on Friday, September 25th. Registration is completed online by accessing the ASM Parent Portal and following the After-School Activities registration link. All activities must be paid for at the time of registration in order to reserve a space. Online payments can be made with a credit card.

Middle School and Varsity Sports Fall seasons begin the week of September 7th, with Spring season ending May 29th.

Musicals will run on trimesters: The Elementary Musical will begin the 7th of September, the Upper School Musical will begin the 30th of November, and Jr. Musical will begin the 22nd March. All other activities begin the week of October 12th and end the week of May 17th.

****All students enrolling in Active Sports will need to provide a certificate of good health.**

Behavioral Expectations

The ASA programs are viewed as an extension of the curricular day. Students in the ASA programs will need to adhere to ASM behavioral policies and procedures. Students who do not manage their behavior appropriately during sessions will be invited to "not attend" future sessions without a refund.

In the time of COVID, students will also need to adhere to the measures we have put in place to keep our students and campus as safe as possible. Students who are unable to abide by these measures and/or repeatedly require reminding may be sent home and be suspended for one week. Continued inability to follow COVID measures may result in permanent removal from the activity without refund.

Transportation

Use of the late bus service is available, at no additional cost, to those students who are already subscribed to the full bus service (morning and afternoon) or the one-way afternoon service. Students not subscribed to the full service (morning and afternoon) or the one-way afternoon service may pay an additional fee (noted on the activity listing) to ride the late bus at the time of registration for the after-school activity.

The Late Bus service begins September 7th to accommodate the Elementary Musical, Varsity Sports, and Middle School Sports. Late bus service for other after-school programs will begin October 12th, 2020 and end May 20th, 2021. The Late bus service is different from the regular bus service. It is designed to get students to areas of the city where they can more easily take public transportation or be picked up by parents. The After-School stops are generally different from the regular day service stops. On the last page there is a list of the Late Bus stops determined by the school.

When registering online be sure to indicate the bus number and precise stop where your son or daughter will get off the bus. To ensure student safety, if there is not an adult at the designated bus stop, the bus monitors will not allow students younger than 12 years of age off the bus and they will be brought back to the school for subsequent collection by a parent. Students older than 12 years will be allowed to get off the bus and go home independently only if a written authorization is received from both of the parents at the beginning of the school year. Students older than 12 years who are already authorized by the parents to get off the bus and go home independently will also be allowed to accompany their younger siblings if a waiver of responsibility is signed by both parents.

If you prefer to pick your child up at ASM, you can do so beginning at 5:20 p.m., and absolutely no later than 5:30 p.m.

Refunds

A refund is only given when an activity is canceled due to insufficient numbers. Most activities require a minimum of 8 students and may be canceled if minimum enrollment is not reached. Refunds are not given when a student chooses to drop out of an activity at any time during the year.

Tennis Lessons

Tennis Lessons are designed to accommodate skill growth related to playing ability and experience. Students will learn and practice the basic techniques of tennis or, in the case of experienced players, improve and further develop their game. Students will receive skill instruction and theory, skill practice, and practical application in match play. The lessons are non-competitive and include the use of a variety of games and activities to enhance knowledge and skill development in a fun and enjoyable manner.

Lessons are offered through GFg Sports with a renewed staff of instructors, each of whom has been certified by the Italian Tennis Federation. Instructors will focus on increasing the technical quality within lessons while providing a safe, engaging, and fun activity. Lessons will be held at the covered Sporting Mirasole courts opposite the school.

Students will work in groups, limited to 4 students per group, to learn and practice the basic techniques of tennis. The sessions are generally broken down into two sections. The first portion of the lessons will be theory and warm-up, while the second portion will be skill practice, practical application, and feedback and review.

Vinyasa Yoga

Vinyasa Yoga is a flow style of yoga that helps us to release stress and find emotional balance while also strengthening and stabilizing the body. This class is led by Ms. Banahene who has been practicing yoga for over 15 years and has completed certification with Yoga Alliance® at the RYT200 level.

Through intention, meditation, and asana (poses), the goal is to have students leave the mat feeling refreshed and ready to face the world as their best selves. While classes are challenging physically and mentally, this is equally balanced with guiding students to listen to their bodies and deepen their own personal practice. Hope to meet you on the mat!

Golf

Semester 1: October 14 – February 3

Semester 2: February 10 – May 19

Participants in this activity will work in groups of 4 to 5 students based on age and experience. Each group will be with an Italian federal certified golf coach who will train them at the golf range and on the greens.

Fall season focuses on technique at the driving range. Spring season students move to the golf course for practical application.

The package includes professional instruction, entrance to the golf course, and the use of golf balls and clubs. While the primary language of instruction is Italian, instructors do have a working knowledge of English.

This activity is a semester long offering. Students can register for one or both sessions.

Mr. T Basketball

Semester 1: October 14 - February 3

This activity is open to girls and boys.

The Travis Watson Training program goal is to use the sport of basketball to teach life skills. During training sessions, we will target the physical and mental aspects of the game of basketball in order to enhance interest in sports and physical activity. This will be a skill development activity.

Incorporating physical activity into daily life at a young age can positively affect health into adulthood. The Travis Watson Training program teaches basketball skills such as shooting, passing, rebounding, and other fundamentals in a way that is educational and fun for elementary age children.

Instructor: Travis Watson (Mr. T), played collegiately at the University of Virginia in the United States, played professionally in 6 European countries over 13 years, with 2 years in Milan with The Armani Jeans.

Hip Hop Dance

Hip Hop encompasses many different urban dance styles such as popping, locking, breaking, as well as freestyle movement to give students the opportunity to develop their own sense of style. Hip Hop helps with socialization and character building which helps children break through their fear and shyness. It is all about dynamism, rhythm, energy, coordination, agility and improvisation. The program is for boys and girls, with focus on body and spatial awareness, musicality, and social interaction.

This is an excellent class for high-energy kids who want to take a fast and fun dance class.

Our Hip Hop dancers develop focus and strength while having fun and they will learn to interpret music with different levels of progression.

Students will begin learning hip hop fundamentals, technique and choreography, and of course freestyle improvisation!

Modern Dance

Modern Dance is an amazing discipline for all ages; it combines improvisation, athletic training, flexibility, coordination, strength, and body awareness. In particular, the teacher will focus on rhythm, musicality, respect, space, free expression and an emphasis on cognitive and social skills development while creating a fun environment.

Children will learn to interpret music with different levels of progression all while discovering their artistic and creative potential.

Our qualified Modern Dance teacher offers this activity to boys and girls on a once a week basis. Children will stay in familiar school surroundings, while having fun with diverse music and motor skills; all with a caring manner appropriate for the age group.

Junior Soccer

Jr. Soccer will be a skill building activity using a multidimensional approach that combines the technical aspects of the game with the educational aspects. The dimensions considered are: mobility, listening, attention, cooperation, skill building, and health. Coach Travis Schafer will support our young athletes in this no-contact activity. The format of each lesson will be: welcome, warm-up, examination of a technical element, application and practice, review, and giving feedback. The activity is offered in a playful and recreational way to allow children to experiment with the technical elements of the sport while developing and improving skills and strategic thinking.

Students in this activity will learn about the fundamental values of sport: discipline, braveness, team, fair play, and passion. Active participation and contribution from each student is essential for the development of the program.

Varsity Sports

The American School of Milan offers High School students (Grades 9 –12) the opportunity to participate in Varsity and Junior Varsity sports. Locally, ASM competes in the Northern International Schools Sports Association (NISSA) playing home and away games against other international schools in Italy. Internationally, ASM is part of the European Sports Conference (ESC) and participates in tournaments in Spain, France, Switzerland, Portugal, Germany and Italy.

Practices are held after school and in some cases, in the morning before school, 7:30–8:45. Student-athletes should plan on attending at least two practices a week. ASM offers three seasons of sport: Fall, Winter and Spring. At the end of each season there is a weekend-long tournament held at one of the ESC member schools.

It is expected that the students who join these teams will have high academic standing and demonstrate good sportsmanship at all times.

Sign-ups for Varsity sports begin one week before the start of each season via the Online Booking Center found in the Parent Portal. Please note that each student who plans to join a Varsity sport must provide a medical certificate of good health to the school nurse.

Model United Nations

Model United Nations (MUN) is an opportunity for students to debate pressing world issues from different national viewpoints. ASM's award-winning club empowers our members to develop a deeper understanding of global issues while also practicing high-level public speaking and leadership skills. Students learn about different countries and take part in weekly debates and a yearly conference, but the program does require some commitment.

MUN meets Wednesday afternoons. Students dress in formal business attire for the entire day, fitting the dress code of the United Nations. Participation in MUN has historically offered students several potential travel opportunities for conferences. However, this year we anticipate events to take place online. This includes our club conference, ASMMUN, which will happen December 4 - 6, 2020.

Our students are among the most successful in the world, helping to lead some foreign conferences and receiving awards at others. Involvement in MUN is very attractive to universities, as it shows leadership, problem solving, academic curiosity, and language skills. To maintain a strong program, attendance and participation at weekly meetings is mandatory except for the week before midterms and finals.

Middle School and High School Entomology Club

Ever seen the mandibles of a ground beetle or the scales of a butterfly? Did you know that fire flies are really beetles or that some wasps lay their eggs inside other insects or that most aphids have a mother but not a father?

The ASMEC will explore all things insect. We'll use butterfly nets and pitfall traps to capture and observe local insect populations. We'll learn the basics of insect identification and preservation. And we'll get a close up look at the incredible form and variety of the most important animals on the planet.

This club is great for everyone from the bug-curious to those interested in learning the materials and techniques of field biology.

Duke of Edinburgh's International Award

Are you ready to become more independent? Do you want to level-up your life? Make the world around you a better place? Do you want to learn outdoor survival skills? Form a rag-tag group of loyal renegades to go on an adventure with? Become stronger together? And even achieve an internationally recognized award? The Duke of Edinburgh's International Award is a program where you develop your character, leadership skills and learn how to survive in the outdoors. You shape your own choice of service activities, develop skills in areas you are interested in and learn how to plan and navigate hikes, pitch tents, give emergency first aid and even organize and cook meals when you are out on a trail or sleeping under the stars. As part of this club, we will go on multiple expeditions to mountains and other areas of natural beauty in Italy, and you will finish the year by completing an overnight expedition with a group of your choosing on a route of your choosing.

Fees and costs:

This year the award program is offered at a discounted rate because it is something new to the school and we want to encourage people to apply. However, participants will be expected to supply some of their own outdoor gear such as hiking boots, weather appropriate clothing, a hiking backpack and sleeping bag.

What will the fee include?

- Access to The Duke of Edinburgh International Award's web portal and resources
- Weekly meetings
- Team building exercises and leadership training
- Wilderness first aid training
- Basic outdoor cooking lessons
- Training in essential camp craft (skills and knowledge necessary for camping)
- Sessions on planning and navigating hikes
- Access to tents, stoves and pans, maps, compasses
- Adult supervision on multiple trips to areas of natural beauty (participants will go on at least 2 day trips and 2 overnight camping trips)

Application process:

In selecting candidates to join this program we are looking for students who are:

- Independent
- Organized
- Dependable
- Motivated
- Resilient

Applicants will be expected to write a short essay followed by an interview. We will also ask candidates' teachers for recommendations. This program is not linked to academic achievement, so GPA is not a deciding factor in the application process. What matters more is your strength of character and willingness to commit to something.

(Students over the age of 14 at registration)

- Thursday (Grades 6-12)

€200 per year
€380 with late bus

Min. 10 students, Max. 20 students

Required equipment:

Hiking boots and a good all-weather rain jacket required from the outset

****Certificate of good health is required**

Additional student fee based on years with the program: **First year fee for registration is 30 euros per student.**

Fee includes access to tents, stoves, maps, compasses and registration with the Duke of Edinburgh organization.

This fee is heavily discounted for the first year of the program and will increase to the regular price in the following years.
