

## TOPIC GRID – Animals – Year 1

While your child is in isolation, we have created a stand-alone Topic grid for them to choose some foundation subject activities to do in the afternoons. These activities are not compulsory but if you want to complete them, we are happy to share the work in class when they return. Any work can be posted on their portfolio on Class Dojo.

**Begin by choosing your favourite animal or use your imagination and create a make-believe creature!**

<b>WRITING</b>	<b>GEOGRAPHY</b>	<b>SCIENCE</b>	<b>ART AND DT</b>	<b>PE AND OUTDOOR LEARNING</b>	<b>ICT</b>
Write how to care for your chosen animal. What will it need to be looked after well?	Find out which country your animal comes from and draw the flag for the country.	Find out about your animals natural habitat. What makes it special/unique?	Draw/paint/use playdough/natural materials – use anything creative to make your animal.	Create a dance linked to your animal/the country it comes from. What music will you choose?	BBC Bitesize lesson links to animals/science/creatures  <a href="https://www.bbc.co.uk/bitesize/articles/zfgc92p">https://www.bbc.co.uk/bitesize/articles/zfgc92p</a>
Write a story about your animal. Use your imagination in your storytelling – will your animal go on an adventure?	Go on a journey/adventure with your animal. Map out the journey you took.	Cook/bake/prepare your animal’s favourite meal.	Develop a home for your animal. You could use junk modelling to make it.	Go on a minibeast hunt and spot as many minibeasts as you can.
