

UNIFORM DRESS CODE

The Catholic High School community believes that a student's appearance influences academic performance, personal behavior, and self-image. A uniform with approved choices of color and style is required. Students are expected to maintain a neat, clean, modest and well-groomed appearance at all times and to dress according to the school's dress code guidelines. Parents are asked to reevaluate the fit and condition of the uniform as students mature and to replace uniform items as necessary.

For the past several years, a number of uniform items have been allowed under a grandfather period. As of June 2020, the grandfather period ends. Those items that were permitted under the grandfathered status are no longer allowed.

Students are able to choose from several approved uniform options, expressing their style and personality. The school's dress code is listed below and on our website at www.chsvb.org. Students are expected to follow all rules regarding the dress code and to wear clothing to school from the list of approved options in shirts, blouses, pants, capris, skirts, shorts, sweaters, and quarter-zip and fleece pullovers.

- Every Friday is Spiritwear Day. School themed sweatshirts and Crusader team sweatshirts may be worn on Fridays.
- Official school team warm-up jackets are permitted to be worn by team members on regular school days as part of the uniform as long as a school approved polo shirt is worn underneath the jacket.
- One demerit will be issued for each dress code violation. An egregious violation will result in students not being allowed to attend class or to participate in school activities until they are properly dressed. The administration reserves the right to determine what is appropriate attire for school.

Boys
