

Dear Fairfield Families,

A big thank you to our wonderful Fairfield students and their parents for such a great back to school start in this unusual time. We are beyond thrilled to have our students back in the building and are looking forward to a time when we are back to normal. In the meantime, we have been so impressed with our student's willingness to follow masking, physical distancing and hygiene procedures. We are confident that their actions will speed our return to a full time schedule. A big thanks to our PTA, our Student Body Officers and our Cheer Squad for the wonderful welcome on the first days of school, our Falcon pride is strong!
