

MPA Suggested Yearly Donation

The Music Parents Association (MPA) at Palos School District 118 is a volunteer organization whose mission is to support the advancement of education through the school district's music programs. The MPA provides supplemental financial resource through various fundraising efforts, including our annual signature event-- the Harvest Fest. Funds raised are used for educational music activities, equipment, and supplies. In addition, the MPA also conducts ancillary activities such as hospitality during key musical events at the three Palos District 118 schools. All parents with students in band or choir are automatically members of the MPA. Members are encouraged to donate \$10 per year and give one or more hours of volunteer time to the organization to better the experience of your child in our music programs.

 Thank you for your support!

Choose from the two convenient donation methods!

1. Please return this form along with your donation of \$10.00 to your child's school. Checks should be made payable to "District 118 MPA".
2. Go to the Palos 118 webstore to make your \$10.00 suggested donation online with a credit card at www.palos118.org/mpa and click "Make a Donation".
