

# BOUND BY BLOOD

## DONATE AS ONE

[schedule.bloodworksnw.org](https://schedule.bloodworksnw.org)

Lead by example. Give blood.  
Impact our community.

The COVID-19 pandemic has rocked our community and left our public health system scrambling to ensure the safety of patients and the stability of our blood supply. **We have an urgent need for blood donors.**

**NHS at Raisbeck Aviation High School is leading by example and sponsoring a **virtual** blood drive between Thursday October 1 and Thursday October 15**

We are challenging you to be a **Life-Saving Hero** and donate between **Oct 1 – Oct 15** at TMOF pop-up close to our school or any pop-up or donor center convenient to you, and make your impact count.

**We hope to reach a goal of finding 35 donors during this 2 week time frame!**

**Step 1. Make your appointment today at**

**[The Museum of Flight pop-up](#) or any [Bloodworks NW pop-up location](#) or donor [center](#) or call **1-800-398-7888****

**Step 2. On the day of your donation, let the registrar know (at check in) that you are **donating on behalf of NHS at Raisbeck Aviation HS.****

**Register (check in) under NHS at Raisbeck Aviation High School and provide code “641B” when you arrive to your appointment.**

Bloodworks has implemented increased safety and social distancing measures in compliance with all local and state recommendations to ensure that the critical act of donation experience is as safe and pleasant as possible. All donors are required to wear masks or face coverings at their donation appointment. Please bring your own mask. For more information, visit [bloodworksnw.org/coronavirus](https://bloodworksnw.org/coronavirus).
