Group Activity Session

Marlborough's Group Activity Sessions are opportunities for applicants to experience conversation and collaborative problem-solving in an all-girl setting. Group Activity Sessions are led by Marlborough teachers and while it is an experience that is assessed, our expectation is "success" across the board for all applicants.

Character Skills Snapshot (Due January 15, 2021)

The Character Skills Snapshot looks at seven non-cognitive areas (Initiative, Intellectual Engagement, Open-Mindedness, Resilience, Social Awareness, Self-Control, Teamwork) and gives us a richer and more holistic view of each applicant. All Marlborough applicants will be sent a code to cover the Snapshot registration fee. To sign-up for the Character Skills Snapshot, click [here](#).
