

Welcome to First Grade

# online learning

Together we are a team.

First grade is an exciting year. There is a tremendous amount of learning and growth that we will be witnessing.

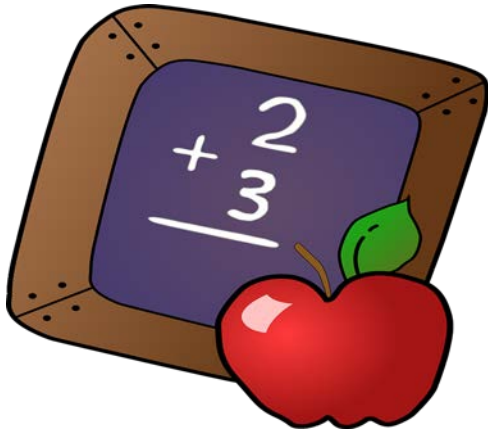

# Virtual Learning Needs

- ❑ A Quiet Place to Learn
- ❑ Student Supplies Organized and Ready

# Curriculum

# Mathematics

This year we will be teaching problem solving, using manipulatives to build number sense, mental math, addition and subtraction to 20, geometry, measurement and data, time, identifying and writing numbers, comparing numbers, place value, explaining mathematical thinking, and word problems.

We will be teaching different strategies and ways to explain our mathematical thinking.

---

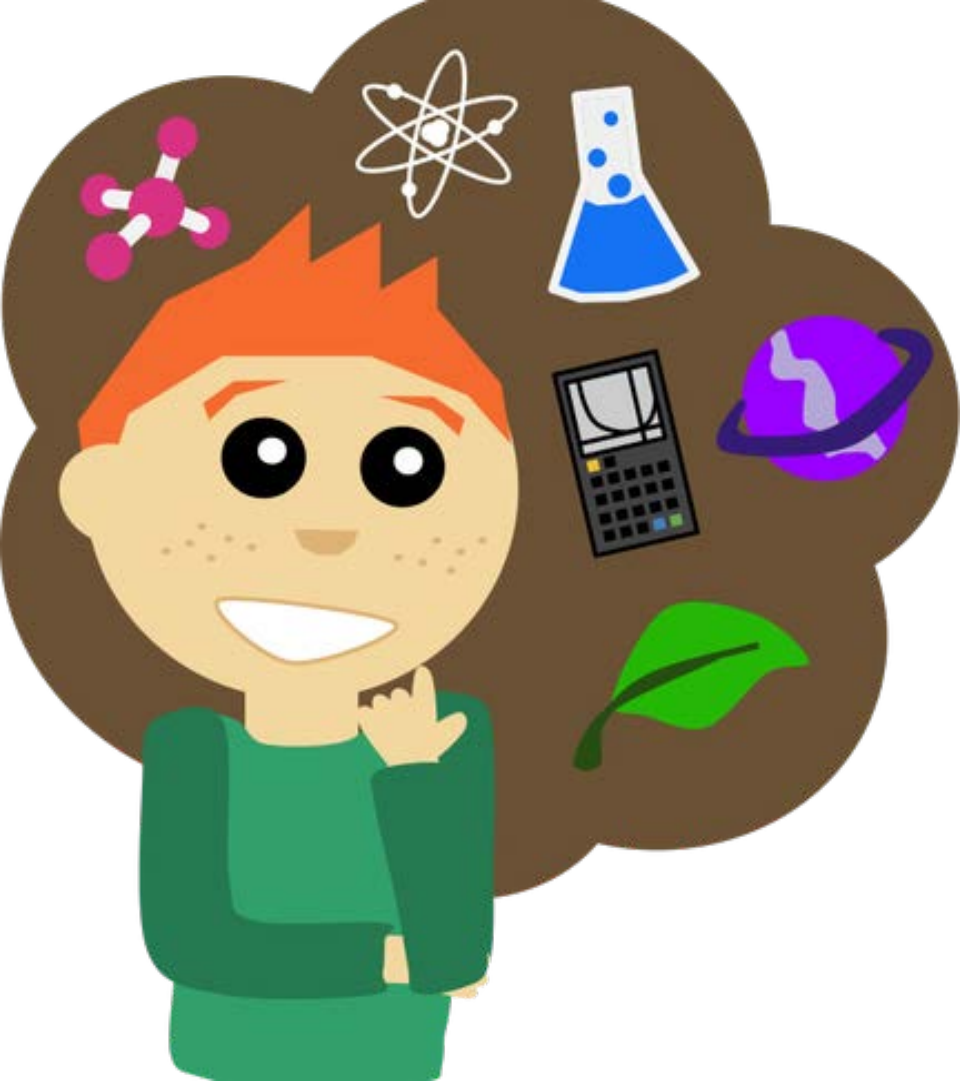

# Reading and Writing

We will be using Wonders, Readers and Writers Workshop, Raz-kids, Epic, and teacher provided books.

Writing: Nonfiction, Personal Narratives, Response to Literature, Opinions, and Guided Research.

Reading: Fiction and Nonfiction, phonics, tricky word strategies, and comprehension strategies.

---

# Science:

Plants and Animals, Solar System,  
and Light and Vibrations

---

# Social Studies

Citizenship, Community,  
Maps, Symbols and  
Traditions of the United  
States, Everyday Life of Now  
and the Past, and American  
Heroes.

Continents and Oceans

American Symbols
