

Fee Recommendations for 2020-2021 Only

Course					
Level	Department	Course Number	Course	Option 1 - In Person Learning	Option 2 - Online Only Program
Middle	FACS	6316	Intro to Family and Consumer Sciences	\$10	\$10
Middle	FACS	6317	Exploring Foods and Nutrition	\$15	\$15
Middle	FACS	6318	Exploring Sewing Technology	Course cost is determined by projects chosen by the student.	Course cost is determined by projects chosen by the student.
Middle	Performing Arts	7016	Band 1	Students may be required to purchase a methods book; students may be charged rental fees for renting district-owned instruments; for year-long performance groups, students may be charged a one-time fee, not to exceed \$15, for purchase of performance apparel	Students may be required to purchase a methods book; students may be charged rental fees for renting district-owned instruments.
Middle	Performing Arts	7146	Band 2	Students may be required to purchase a method book; students may be charged rental fees for renting district-owned instruments; for year-long performance groups, students may be charged a one-time fee, not to exceed \$15, for purchase of performance apparel.	Students may be required to purchase a method book; students may be charged rental fees for renting district-owned instruments.
Middle	Performing Arts	7053	Orchestra 1	Students may be required to purchase a method book; students may be charged rental fees for renting district-owned instruments; for year-long performance groups, students may be charged a one-time fee, not to exceed \$15, for purchase of performance apparel.	Students may be required to purchase a method book; students may be charged rental fees for renting district-owned instruments.
Middle	Performing Arts	7054	Orchestra 2	Students may be required to purchase a method book; students may be charged rental fees for renting district-owned instruments; for year-long performance groups, students may be charged a one-time fee, not to exceed \$15, for purchase of performance apparel.	Students may be required to purchase a method book; students may be charged rental fees for renting district-owned instruments.
Middle	Fine Arts	7512	Art Exploration	\$10	\$10 (Remote students will be able to pick up supplies from the school)
Middle	Fine Arts	7513	Art Two-Dimensional	\$10	\$10 (Remote students will be able to pick up supplies from the school)

Middle	Fine Arts	7514	Art Three-Dimensional	\$10	\$10 (Remote students will be able to pick up supplies from the school)
Middle	Fine Arts	7203	Humanities	\$5	\$5 (Remote students will be able to pick up supplies from the school)
Middle	Industrial Technology	6659	Gateway to Technology: Automation & Robotics	\$10	Recommend this course not be available for students choosing remote-only.
Middle	Industrial Technology	6660	Gateway to Technology: Design & Modeling	\$10	\$10 (Remote students will be able to pick up supplies from the school)
Middle	Industrial Technology	6657	Projects in Industrial Technology	\$15. Extra projects may be completed at an additional cost.	\$15 Extra projects may be completed at an additional cost.
High	Art	7610	Art, Independent Study	Cost will vary dependng on student's emphasis	Cost will vary dependng on student's emphasis
High	Art	7603	Art Portolio Preparation	\$30 with additional fees assessed based on media chosen	\$30 with additional fees assessed based on media chosen. (Remote students will be able to pick up supplies from the school)
High	Art	7670	Ceramics	\$30 with additional fees assessed based on media chosen	\$30 with additional fees assessed based on media chosen. (Remote students will be able to pick up supplies from the school)
High	Art	7698	Digital Photo - Art	\$30 with additional fees assessed based on media chosen	\$30 with additional fees assessed based on media chosen. (Remote students will be able to pick up supplies from the school)
High	Art	7645	Drawing	\$30 with additional fees assessed based on media chosen	\$30 with additional fees assessed based on media chosen. (Remote students will be able to pick up supplies from the school)
High	Art	7649	Drawing 2	\$30 with additional fees assessed based on media chosen	\$30 with additional fees assessed based on media chosen. (Remote students will be able to pick up supplies from the school)
High	Art	7627	Graphic Design - Art	\$30 with additional fees assessed based on media chosen	\$30 with additional fees assessed based on media chosen. (Remote students will be able to pick up supplies from the school)
High	Art	7536	Introduction to Studio Art	\$30 with additional fees assessed based on media chosen	\$30 with additional fees assessed based on media chosen. (Remote students will be able to pick up supplies from the school)
High	Art	7683	Jewelry/Sculture Studio	\$30 with additional fees assessed based on media chosen	\$30 with additional fees assessed based on media chosen. (Remote students will be able to pick up supplies from the school)

High	Art	7650	Painting	\$30 with additional fees assessed based on media chosen	\$30 with additional fees assessed based on media chosen. (Remote students will be able to pick up supplies from the school)
High	Art	7696	Photography 1	\$30 with additional fees assessed based on media chosen	\$30 with additional fees assessed based on media chosen. (Remote students will be able to pick up supplies from the school)
High	Art	7632, 7633, 7635	Studio Art AP	Cost varies according to students media concentration	Cost varies according to students media concentration
High	Business	6944	Marketing Applications	\$30	\$30 (Remote students will be able to pick up supplies from the school)
High	English Language Arts	1064	Competitive Speech and Drama, Beginning	\$25	\$25
High	English Language Arts	1065	Competitive Speech and Drama, Advanced	\$25	\$25
High	English Language Arts	1424	Debate, Novice - Fall	\$25	\$25
High	English Language Arts	1434	Debate, Advanced Honors - Fall	\$25	\$25
High	English Language Arts	1441	Photo Digital Productions	\$25	\$25 (Remote students will be able to pick up supplies from the school)
High	English Language Arts	1450	Introduction to Theater	Cost varies. Students may be required to buy additional props or uniforms	Cost varies.
High	English Language Arts	1521	Video Production 1	\$25	\$25 (Remote students will be able to pick up supplies from the school)
High	English Language Arts	1522	Video Production 2	\$25	\$25 (Remote students will be able to pick up supplies from the school)
High	English Language Arts	1523	Advanced Video Production	\$25	\$25 (Remote students will be able to pick up supplies from the school)
High	Family and Consumer Sciences	6390	Apparel Production 1	Cost depends on projects chosen by student	Cost depends on projects chosen by student. (Remote students will be able to pick up supplies from the school)
High	Family and Consumer Sciences	6391	Apparel Production 2	Cost depends on projects chosen by student	Cost depends on projects chosen by student. (Remote students will be able to pick up supplies from the school)
High	Family and Consumer Sciences	6408	Commercial Baking 1	\$50	\$50 (Remote students will be able to pick up supplies from the school)
High	Family and Consumer Sciences	6409	Commercial Baking 2	\$50	\$50 (Remote students will be able to pick up supplies from the school)

High	Family and Consumer Sciences	6406	Culinary Arts 1	\$50	\$50 (Remote students will be able to pick up supplies from the school)
High	Family and Consumer Sciences	6407	Culinary Arts 2	\$50	\$50 (Remote students will be able to pick up supplies from the school)
High	Family and Consumer Sciences	6383	Fashion, Apparel and Interior Design Essentials	\$10	\$10 (Remote students will be able to pick up supplies from the school)
High	Family and Consumer Sciences	6313	Fashion, Apparel and interior Design Studio	\$20	\$20 (Remote students will be able to pick up supplies from the school)
High	Family and Consumer Sciences	6330	Focus on Foods	\$20	\$20 (Remote students will be able to pick up supplies from the school)
High	Family and Consumer Sciences	6321	Foods, Advanced	\$20	\$20 (Remote students will be able to pick up supplies from the school)
High	Family and Consumer Sciences	6402	Foods, International	\$20	\$20 (Remote students will be able to pick up supplies from the school)
High	Family and Consumer Sciences	6312	Interior Design	\$10	\$10 (Remote students will be able to pick up supplies from the school)
High	Family and Consumer Sciences	6411	Nutrition and Wellness	\$20	\$20 (Remote students will be able to pick up supplies from the school)
High	Construction and Design, Manufacturing, Mobile Equipment Maintenance (Formerly Industrial Technology)	6601	Automotive Essentials	Students provide transportation to school site	Recommend this course not be available for students choosing remote-only.

High	Construction and Design, Manufacturing, Mobile Equipment Maintenance (Formerly Industrial Technology)	6602	Automotive Technology 1	Course cost determined by projects chosen by student and students provide transportation to school site	Costs vary
High	Construction and Design, Manufacturing, Mobile Equipment Maintenance (Formerly Industrial Technology)	6603	Automotive Technology 2	Course cost determined by projects chosen by student and students provide transportation to school site	Course cost determined by projects chosen by student and students provide transportation to school site
High	Construction and Design, Manufacturing, Mobile Equipment Maintenance (Formerly Industrial Technology)	6604	Automotive Technology 3	Course cost determined by projects chosen by student and students provide transportation to school site	Course cost determined by projects chosen by student and students provide transportation to school site
High	Construction and Design, Manufacturing, Mobile Equipment Maintenance (Formerly Industrial Technology)	6703	Computer-Aided Manufacturing	Cost depends on projects chosen by student	Recommend this course not be available for students choosing remote-only.

High	Construction and Design, Manufacturing, Mobile Equipment Maintenance (Formerly Industrial Technology)	6759	Design 1, Computer-Aided Architectural	Cost depends on projects chosen by student	Cost depends on projects chosen by student
High	Construction and Design, Manufacturing, Mobile Equipment Maintenance (Formerly Industrial Technology)	6761	Design 2, Computer-Aided Architectural	Cost depends on projects chosen by student	Cost depends on projects chosen by student
High	Construction and Design, Manufacturing, Mobile Equipment Maintenance (Formerly Industrial Technology)	6757	Design, Computer-Aided Industrial	Cost depends on projects chosen by student	Cost depends on projects chosen by student
High	Construction and Design, Manufacturing, Mobile Equipment Maintenance (Formerly Industrial Technology)	6755	Design, Introduction to. Computer-Aided	Cost depends on projects chosen by student	Cost depends on projects chosen by student

High	Construction and Design, Manufacturing, Mobile Equipment Maintenance (Formerly Industrial Technology)	6927 (SMW)	Metal Production	\$25	Recommend this course not be available for students choosing remote-only.
High	Construction and Design, Manufacturing, Mobile Equipment Maintenance (Formerly Industrial Technology)	6896 (SMW)	Welding, Introduction to	\$15	Recommend this course not be available for students choosing remote-only.
High	Construction and Design, Manufacturing, Mobile Equipment Maintenance (Formerly Industrial Technology)	6897 (SMW)	Welding 1	\$50	Recommend this course not be available for students choosing remote-only.
High	Construction and Design, Manufacturing, Mobile Equipment Maintenance (Formerly Industrial Technology)	6898 (SMW)	Welding 2	\$50	Recommend this course not be available for students choosing remote-only.

High	Construction and Design, Manufacturing, Mobile Equipment Maintenance (Formerly Industrial Technology)	6895	Wood Design and Fabrication	Cost depends on projects chosen by student	Recommend this course not be available for students choosing remote-only.
High	Construction and Design, Manufacturing, Mobile Equipment Maintenance (Formerly Industrial Technology)	6908	Wood Design 1	Cost depends on projects chosen by student	Recommend this course not be available for students choosing remote-only.
High	Construction and Design, Manufacturing, Mobile Equipment Maintenance (Formerly Industrial Technology)	6905	Wood Design 2	Cost depends on projects chosen by student	Recommend this course not be available for students choosing remote-only.
High	Mathematics			Scientific calculators for home use. Graphing calculators for home use.	Scientific and/or graphing calculators for home use
High	Music			Students enrolled in some instrumental classes may be required to purchase a methods book. For specific costs, contact the music director at your school. Members of top select groups may be required to purchase their own school-approved performance uniforms.	Students enrolled in some instrumental classes may be required to purchase a methods book. For specific costs, contact the music director at your school. Members of top select groups may be required to purchase their own school-approved performance uniforms.
High	Science	4130	Biology 1	Not to exceed \$3	No fee collected for remote semester
High	Science	4131	Biology 1 (H)	Not to exceed \$3	No fee collected for remote semester
High	Science	4151	Biology 2 AP	Not to exceed \$3	No fee collected for remote semester
High	Science	4133	Biotechnology 1	\$30	\$30 (Remote students will be able to pick up supplies from the school)

High	Science	4143	Recombinant DNA and Protein Diagnostics (H)	\$30	\$30 (Remote students will be able to pick up supplies from the school)
High	Science	4145	Biotech in Agriculture and Pharmaceuticals (H)	\$30	\$30 (Remote students will be able to pick up supplies from the school)
High	Science	4147	Biotech Research and Professional and Learning Experience (H)	\$30	\$30 (Remote students will be able to pick up supplies from the school)
High	Science	4170	Chemistry 1	Not to exceed \$3	No fee collected for remote semester
High	Science	4169	Chemistry 1 (H)	Not to exceed \$3	No fee collected for remote semester
High	Science	4183	Chemistry 2 (H) / AP	Not to exceed \$3	No fee collected for remote semester
High	Science	4252	Environmental Education 1	Not to exceed \$3	No fee collected for remote semester
High	Science	4243, 4245, 4247, 4240	Forensics 1,2,3,4	Not to exceed \$3	No fee collected for remote semester
High	Science	4410	Human Anatomy & Physiology	\$15	\$15 - Dissection is typically spring semester
High	Science	4128	Physical Science	Not to exceed \$3	No fee collected for remote semester
High	Science	4153	IB Biology HL 1 (H)	Not to exceed \$3	No fee collected for remote semester
High	Science	4153	IB Biology HL 2 (H) 1	Not to exceed \$3	No fee collected for remote semester
High	Science	4172	IB Chemistry SL 1 (H)	Not to exceed \$3	No fee collected for remote semester
High	Science	4173	IB Chemistry SL 2 (H)	Not to exceed \$3	No fee collected for remote semester
High	Science	4411	Zoology	\$10	No fee collected for remote semester
High	Teacher Education	6515	Teacher Education 1	Students provide transportation to school site	Students provide transportation
High	Teacher Education	6517	Teacher Education 2	Students provide transportation to school site	Students provide transportation
High	Teacher Education	6517	Teacher Internship	Students provide transportation to school site	Recommend this course not be available for students choosing remote-only.
High	Specialized Programs	9940	Career Experience	Students provide transportation to school site	Students provide transportation
High	Specialized Programs	9320	College Campus Study	Students provide transportation	Students provide transportation
High	Specialized Programs	9938	Community Service	Students provide transportation to and from the community service site	Students provide transportation

High	Specialized Programs	0882	Mentor Program	Students provide transportation to mentor site	Students provide transportation
High	Specialized Programs	9065	NJROTC/NNDCC	District transportation not provided for special activities	Students provide transportation
High	Medical Health	4138	Medical Health Science 2	\$20	\$20 (Remote students will be able to pick up supplies from the school)

Additional Fees

Mandatory/Optional	Fee Description	Option 1 - In Person Learning	Option 2 - Online Only Program
Mandatory	Textbook Fee	\$80 for 7-12; No Fee for Pre-School and Elementary	\$80 for 7-12; No Fee for Pre-School and Elementary
Optional	Bus Transportation	2-way on our before July 1- \$160 per Semester 2-way after July 1- \$185 per Semester. 1-way- \$134 per Semester	No Fee collected for Semester(s) student chooses remote
Optional	Rental for District Owned Musical Instruments during School Year	\$60	\$60
Optional	Rental for District Owned Musical Instruments during Summer	\$30	\$30
Optional	Student Parking Fee	\$30 (half-price due to likelihood of fewer days on campus)	No Fee collected
Optional	Student Activity Ticket- Middle School	\$7	\$7
Mandatory	Participation/ Activity Fee- High School	\$45 (reduced from \$75)	\$45 (reduced from \$75)
Optional	StuCo-High School	\$0 - \$10	\$0 - \$10
Optional	Spirit/Pep Clubs - High	\$8 - \$10.50	\$8 - \$10.50
Mandatory	Student ID- Middle School	\$5 for New ID and \$5 for Replacement ID	\$5 for New ID and \$5 for Replacement ID
Mandatory	Student ID- High School	\$5 for New ID and \$5 for Replacement ID	\$5 for New ID and \$5 for Replacement ID

Optional	Class Dues- High School	\$1.00- \$5.00	No Fee collected
Optional	Pictures- Middle School	\$7.00- \$10.00	\$7.00- \$10.00-
Optional	Pictures- High School	\$7.75- \$25.00	\$7.75- \$25.00
Optional	Yearbook- Middle School	\$12.00- \$22.00	\$12.00- \$22.00
Optional	Yearbook- High School	\$50.00- \$70.00	\$50.00- \$70.00
Optional	Phone Directory - Middle & High School	\$2 - \$5	\$2 - \$5
Optional	Caps and Gowns	\$13 - \$30	\$13 - \$30
Optional	E-School Fees	\$180/course per session	\$180/course per session
Optional	Summer School Academy	\$170/Class - \$215 out of district	\$170/Class - \$215 out of district
Optional	Summer School Academy Art or Foods	\$205/Class - \$250 out of district	\$205/Class - \$250 out of district
Optional	Summer Enrichment	\$95/Class	\$95/Class
Optional	Summer Enrichment Optional Care Programs	Early/Lunch/Late optional care programs \$20 individually or \$40 for a combination of two or all three optional care programs per week (early/lunch; lunch/late; early/late)	Early/Lunch/Late optional care programs \$20 individually or \$40 for a combination of two or all three optional care programs per week (early/lunch; lunch/late; early/late)
Optional	Parking Sticker (Horizons)	10 (half-price due to likelihood of fewer days on campus)	No Fee Collected
Optional	Activity Ticket (Horizons)	\$15	\$15
Optional	IB Diploma	\$432 or subject to IBO determination	\$432 or subject to IBO determination
Optional	IB Certificate	\$168 or subject to IBO determination	\$168 or subject to IBO determination
Optional	PSAT Testing Fee	\$15 - \$30 subject to College Board determination	\$15 - \$30 subject to College Board determination
Optional	Literary Magazine	\$0 - \$10	\$0 - \$10
Optional	Transcript Fee	Former student - \$2; current students - first five no cost, \$2 for subsequent request	Former student - \$2; current students - first five no cost, \$2 for subsequent request- Yes
Mandatory	Credit Card Convenience Fee	\$3 per transaction	\$3 per transaction- Yes
