## Dear Parents and Carers 21.9.20

All of the Year 2 team have been so impressed with how well the pupils have settled and adapted to their new classrooms and routines. We are all very proud of them!

Thank you to those who were able to join our virtual 'meet the teacher', we hope it gave a good insight into what is planned for Year 2. If you were unable to join us last week or if you have any questions, feel free to send an email to the main academy office who will forward it to Miss Isted or Miss Vaile.

If you would like further reading regarding the recovery curriculum all information can be found at:

<https://barrycarpentereducation.com/2020/04/23/the-recovery-curriculum/>

### Outdoor Learning

Please ensure your child has a named outdoor learning kit on their peg for the term.

Mulberry will be attending on Mondays and Tuesdays. Dewberry will be attending Thursdays and Fridays.

### Recovery Curriculum

This week we are continuing our work based around 'Why we can't hug'.

We will be thinking of a range of ways to show others we care as well as know we are cared for. This will include creating pictures for one another and writing a special message.

### Important Reminder

Please ensure that children are bringing in a wipable lunch box or disposable bag.

PE kits and outdoor learning kits need to be in a wipable bag, unfortunately we cannot accommodate large material rucksacks due to space and ability to clean.

### Sounds Write

This week we will be spelling and building words containing the sound // We have discovered there are many different ways to represent the sound. Please practice the following words and generate other words with these sounds.

**Lamp, petal, gerbil, well, towel, double**
