Minnesota Family Investment Program:

MFIP is a resource for families with children. Based on income eligibility guidelines, MFIP can include SNAP benefits in addition to cash benefits for living expenses and additional food. Minnesotans can apply for both SNAP and MFIP via <https://applymn.dhs.mn.gov>, and will need to complete an interview in person or over the phone with their county or tribe. Minnesotans who already receive food and cash assistance benefits must reapply annually. For 20,000 Minnesotans who recently received a notice in the mail, that renewal is due by Aug. 31 for September benefits.

- For help with SNAP, MFIP, and other programs and services: Visit the department's webpage, <https://mn.gov/dhs/>, and contact counties or tribes via the County and Tribal Information Directory, <https://edocs.dhs.state.mn.us/lfserver/Public/DHS-0005-ENG>

Carla Sachiko Wilson, MSW, LICSW

Carla is a Licensed Independent Clinical Social Worker, who earned her Master's degree from the University of Minnesota. She started working as a School Based Mental Health provider at Robbinsdale Armstrong High School in 2015. Prior to starting with People Incorporated, she interned at a School Based Clinic within a Minneapolis Public School. She has always been passionate about early intervention and increasing children's access to mental health services. Carla has worked with clients on many different types of concerns, but some of the most common have been anxiety, depression, difficulties in relationships, and adjusting to a major change. She draws from various therapeutic approaches depending on a client's preferences and needs. She enjoys working as a team with her clients so they can achieve their goals in therapy.

Jenna Seal, MA, LPCC

Jenna earned her bachelor's Psychology at University of Wisconsin Eau Claire and her master's in Counseling Psychology at University of St. Thomas. She is currently a Licensed Professional Clinical Counselor. She has experience working with children, adolescents and adults in a variety of settings including clinics, schools, and in-home services. Her areas of interest and expertise include: Trauma Focus CBT, Exposure Therapy, Cognitive Behavioral Therapy, depression, anxiety and obsessive compulsive disorder. In her spare times she enjoys traveling, being with her family and being a mom to her 2 children. She has a Siberian Husky named Kato and loves to cook

FAIR-Crystal:

Jodi Keller, MA

Jodi Keller earned her Master's degree from Argosy University and Bachelor's degree from University of Saint Thomas. She is currently a Clinical Trainee working towards her LPCC (Licensed Professional Clinical Counselor). Prior to working as a School Based Mental Health provider at Robbinsdale public schools with VONA, Jodi worked in a variety of settings. She worked both in Anoka Hennepin and St Paul Public Schools, and prior to that she has worked in office, in home, and in the community in mental health roles. Jodi is passionate about working with children and young adults who are experiencing all kinds of life stressors and assisting them in working through those stressors to the best of their abilities. Jodi has worked most extensively with children and families that have experienced trauma, anxiety, depression, life changes, emotional-behavioral difficulties, and ADHD. She understands that each child is their own person and works at their own pace and that their treatment approach should be treated that way.

Nathaniel Brueske

Hello! My name is Nathaniel Brueske and I’m so excited to be starting at both Sandburg Middle School and Robbinsdale Academy! I recently graduated with a Master’s in Counseling from St. Mary’s University and almost all my work in the mental health field has been with children and adolescents. Additionally, I provided mental health services in the Anoka-Hennepin school district last school term. On a more personal note, some of my hobbies include rock climbing, roller blading, reading, cooking, and teaching my dog how to swim. Although native to Minnesota, I completed my undergraduate degree on the west coast and easily forgot what winter was like, so I am still trying to find fun ways to get outdoors during the colder months. I look forward to connecting with many of you and can’t wait to start supporting the kids at Sandburg and Robbinsdale Academy! Please feel free to stop in to ask questions or simply say hi!
