Sartori Elementary

Sartori.Elementary@RentonSchools.us

Hello Sartori Families!

Thank you for your support during our first week of school. We have “visited” many classrooms. It is fun to see students and teachers engaged in learning. We have had a lot of families reach out to share their experiences with us. Please continue to keep in communication with your classroom teacher with any needs that may arise.

A few reminders:

- Please be sure your student attends their Zoom session. This is a great opportunity for us to continue to grow our community and for students to socialize. We would like to encourage families to “step away” at this time, so the students are engaged with their class.
- Supply Pick-up is every other Wednesday from 11-12:30PM. Please look for additional information from your classroom teacher.
- Sept. 21st from 6-7:30PM. This will be a webinar. Look for details soon.

Again, thank you very much for your participation and feedback during our launch. At Sartori, we are Belonging & Growing our Identity. Together we SOAR!!!

Will your student be accessing in-home learning while with a childcare provider, family, friend, or neighbor?

Along with family members, many other caring individuals will be supporting student learning as we start the school year fully remote. Regular communication between school, home, and childcare environment promotes a holistic approach to supporting students in remote learning. Please help keep caregivers informed by:

- Forwarding them district and school communications
 - Encouraging them to check the [district website](#) and [Facebook page](#)
 - Please continue to watch your teacher’s Seesaw page. At Sartori, we use Seesaw as our two-way communication. Reminder: Seesaw can be translated into many different languages. If you speak a language other than English, try the translation feature.
-

UPCOMING EVENTS

SEPTEMBER 8

First Day of Kindergarten

SEPTEMBER 9 @ 11AM – 1PM

Together We SOAR II Event

ATTENDANCE

Hello Ravens! Attendance is being taken daily just like if you came to school. If for any reason you can't attend, please email me @ sartori.attendance@rentonschools.us to let me know. If you need a pre-arranged absence for your student, please email me for the form to be approved.

MORE IMPORTANT NEWS

SKYWARD FAMILY ACCESS

Skyward is an important tool families can use to access student information. Skyward Family Access is a web-based component of our student database management system (Skyward) and provides parents real-time access to their student(s) information. Parents can see and update basic information like:

- address
- telephone number, (including adding cell number for text messages from schools/district)
- emergency contact information, and
- complete/submit a free/reduced meal application, attendance information, and immunization history.

If you have never accessed Skyward before, please use the link to visit the Skyward Family Access page. Click the “Forgot your Login/Password?” link and then use the email address linked to your student’s school to have a link sent to your email for instructions to access.

News About Breakfast & Lunch

The District will continue free meal service through December 31st, 2020. The US Dept of Agriculture has announced it has extended the free meal program through the end of the calendar year. Breakfast and lunch will continue to be served on Mondays and Wednesdays from 11 am to 12:30pm. We ask that you pre-order by using the form [here](#) under Breakfast & Lunch Meals at School. If your family qualifies for Free & Reduced lunch, please be sure to complete the online form [here](#) in order to receive meals at no cost once the district begins to charge for breakfast and lunch, as well as to qualify for other helpful benefits as well.
