

DHHS PTO

Greetings!

Studies show the more connected parents are to their teenagers` lives, the less isolated the kids feel and the more successful they become as adults. A great way for you to be informed and involved in your child`s high school experience is by attending the month DHHS PTO meetings. Meetings are generally held the first Tuesday of the month at **8:00a.m.** (school calendar permitting).

To comply with the current school regulations regarding visitors to the school, we will be holding our DHHS PTO meetings by Zoom this year. The meeting agenda and Zoom link will be sent out by eNotify on the Sunday night preceding the meeting. We also hope that this format offers some flexibility to those parents who were previously unable to attend our meetings in person and look forward to welcoming back those who regularly attended in the past.

These meetings are a wonderful opportunity for an open forum discussion regarding curriculum, school clubs and activities, and navigating through your child`s high school years. Most meetings feature a guest speaker from one of the DHHS departments or groups and we hope to continue with this format for the coming year. As always, suggestions for speakers and topics are most welcome.

Please support the DHHS PTO by becoming a member today. Your \$25.00 membership donation (a tax-deductible contribution) supports the purchase of school equipment and core program enhancements. The PTO has also supported the fall and spring blood drives, the annual Staff Appreciation Lunch, art show receptions, the College and Career Fairs, and special event programming such as professional speakers or school-wide assemblies in the past and we hope to continue this support in the future.
