

Please know that we have received notification from USDA (United States Department of Agriculture) that all students and residents of Troy under 18 will temporarily be eligible for free breakfasts & lunches. Currently we are anticipating the waiver to last until December 31, 2020, unless funds are depleted sooner. As we will be providing meals curb-side for now, a one-time "Pre-Order Form" will be on Power Schools, and also on the web-site so that you can identify the number of students that will be participating, and the location that you will be picking up the meals. This will be very similar to the program that we offered in the spring when the pandemic first started.

The "Pre-Order Form" can be accessed from the PowerSchool Parent Portal <https://ps.troy.k12.mi.us> by clicking on the Forms Icon on the left menu. The Form is only available to Parents/Guardians and is not visible in the student portal.

Curbside service will be provided at **Athens High School, Baker Middle School, Boulan Middle School, Smith Middle School and Morse Elementary** on **Mondays, Wednesdays and Fridays.**

Monday Pickup will be for Tuesday & Wednesday meals

Wednesday Pickup will be for Thursday & Friday meals

Friday Pickup will be for Saturday, Sunday & Monday meals

Even though all meals are currently free, a Free & Reduced Application is available if your financial situation has changed and you feel that you may qualify for a Free or Reduced price meal the remainder of the school year. If you qualified for a Free or Reduced price meal last year, you will still need to fill out a new Free/Reduced application for the 2020-21 school year. Applications are available at your student's school, or on the Troy Schools website. Just print the application, fill in the necessary information, and either email it to ngervais@troy.k12.mi.us, or drop it off at our office at 4420 Livernois. There is a drop box right outside of the Food Service Office door.

We look forward to a great school year, even if it is a virtual experience. If you have any questions, please feel free to call our office at 248-823-5089.
