

FIVE TO THRIVE DURING DISTANCE LEARNING

ROUTINE ROUTINE ROUTINE

Ensure that your student has a weekly routine and discuss a daily schedule for work completion.

PROVIDE A QUIET WORK SPACE

Provide a designated area in your home that your student can go to and work productively. A home office, desk, or dinner table.

COMMUNICATION

Make sure you have access to PowerSchool and if your student's teacher is using Google Classroom ask to be added for daily or weekly updates.

TAKE A BREAK

Taking breaks between long periods on assignments is beneficial.

ENCOURAGEMENT

Your support and encouragement goes a long way and is vital to the success of your student.
