

The school has implemented the following hygiene regulations and measures in order to comply with hygiene rules and regulations.

Area	Measures	Frequency	Responsible
General facilities	Ensure clean campus facilities	Daily; as needed	Professional Cleaning Service
	Clean and disinfect surfaces		
	Vacuum and mop floors		
	Waste disposal		
Classrooms & Offices	Ensure adequate ventilation by fully opening windows several times a day for a few minutes to allow for air flow	Daily; as needed	Teachers
Washrooms	Clean and disinfect sanitary areas	Twice daily; as required	Professional Cleaning Service
	Refill liquid soap dispensers		
	Empty container for disposable waste		
Social Distancing	Minimal distance of 1,5 m in corridors	At all times; as needed	Teachers and Students
	One way traffic in halls		
	Designated entrances and exits		
	Individual tables		
	Reduced interaction between classes		
	Minimal shared materials or resources		
	Keep distance to others (at least 1.5-2m)		
Personal Hygiene Measures	Wash and disinfect hands frequently	As needed; after bathroom use; before consuming food	Everyone
	Cough and sneeze etiquette (turn away from others when coughing or sneezing and use your elbow or a disposable tissue instead of hands)	As needed	
	Wear a face mask ensuring you cover mouth and nose	While on campus	
Treatment of Contaminated Surfaces (i.e. blood, excrement or vomit)	Prophylactic wipes or disinfection with a disposable cloth soaked in disinfectant (VAH list) is required after removal of the contamination	As needed	Professional Cleaning Service / Responding teacher or staff member
	Suitable protective clothing, such as working rubber gloves and/or apron must be worn during disinfection. After use this clothing must be deposited in a bin bag that needs to be tied immediately and replaced		
	A separate bin with lid is available in the School Nurse's office
