

**MOTHER  
McAULEY**  
Liberal Arts High School

## **Statement of Support**

In early September, members of the Mother McAuley Administration, Board and Alumnae department invited representatives from *McAuley Alumnae for Justice* to share thoughts and results of their recent survey. The objective was to come together; to listen; to learn. As a result, we understand that our actions against racism begin with self-reflection, awareness and acknowledgment.

### **We know that we have much work to do and much to accomplish.**

Anti-Racism is one of the five critical concerns of the Sisters of Mercy. We are committed to eradicating racism in our school community and as a result, becoming a catalyst for anti-racism through our *FutureReady* McAuley women.

Our next step is to work in partnership and progress; participating together; building on this collective energy to create authentic and sustainable outcomes.

Thank you to representatives from *McAuley Alumnae for Justice* for their leadership and counsel. To our McAuley women, thank you for being empathetic, inclusive and empowered to make and be the change.

Sincerely,
