Lobo News

- ❖ Our hearts go out to our faculty, staff, students, families and community who are affected by the BOBCAT FIRE. Should you need any assistance or resources, contact LACOE at extension 146 & 196.
- ❖ Last week, we shared warning signs and risk factors associated with suicide. This week, we would like to share some protective factors. Simply put, protective factors are things we can learn, do, or engage in that can reduce the chances that something bad happens. We ask you to Take 2.

Take 2...

- To be a good friend
- To take threats of suicide seriously
- To have the courage to ask if your friend is thinking of ending their life
- To never promise to keep a threat of suicide secret
- To avoid being judgmental and overly critical

Stay tuned all month for more prevention information and activities, but, if you need help now, reach out to a parent, teacher, counselor, psychologist, or trusted adult. We are here to help.

- CALL - 800-273-TALK or 800-273-8255 for the National Suicide Prevention Lifeline
- TEXT - 741-741 for the 24 hour Crisis Text Line

Athletics

*Due to the impact of COVID-19, all 2020 Fall Sport competitions have been merged with Winter and Spring sports to create two athletic seasons instead of the traditional three. Fall competitions are now scheduled to begin in January of 2021. The Golden League Athletic Council and our eight Golden League Athletic Departments are currently working with this new calendar to adjust our athletic practice schedules, competition schedules, and facility usage calendars. - avdistrict.org
