Three council members are up for reelection. The results will be noted at the next meeting. Chairman, Vice Chair, and Secretary will be voted on by the council.

Construction update: Great progress is being made in the remodeling of our parking lots and drop off/pick up areas. Blacktop has been laid in the SW corner behind the school. The big toy will be set up soon near the portables. Basketball, foursquare, and other activity centers will be completed near the new portables as well. North Parking lot will be repaved. Eastside of the school will become a long drop off/pick up area. Kindergarten big toy will be set up close to the kindergarten back doors.
