Imagine the possibilities ...

All about help with fees

Imagine the possibilities

The School offers a number of means-tested places to girls at 7+, 11+ and Sixth Form. Help provided can be up to 100% of fees. We also cover extras such as uniform, iPads, trips and music tuition, so your daughter can experience all St Catherine's has to offer. She would join a community of around 900 girls aged 4 to 18 and develop her potential in a friendly and welcoming learning environment, supported by committed teachers.

"We could never have afforded the tuition fees to put our daughter in such a well-rounded school.

St Catherine's has welcomed us all and given her a sound foundation towards an amazing future."

Mother of a St Catherine's pupil

Help with fees is provided by the School and by generous individuals who choose to support girls' education through the Bursary Fund.

Where is St Catherine's?

Just outside Guildford in Bramley. We have bus services to help with transport.

How do we know if we would qualify for help with fees?

In confidence, you would share information with us about your finances. The School would then decide if we could help with fees and how much support we could give.

"St Catherine's helped me build on my potential and opened my eyes to future opportunities. It was an incredible stepping-stone for me."

Mari-Liis, Class of 2015

When would I apply?

A year in advance of entry, by 31st October for entry the following September.

Would my daughter have to sit an exam?

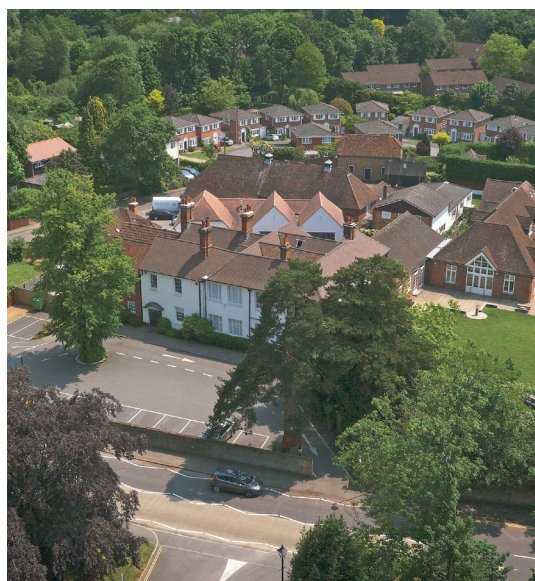

Yes. An offer of help with fees would be subject to your daughter passing the School's Entrance Exam.

I'm interested, what next?
