3. Advisory - Every Wednesday @ 9 AM

Please remind all our Jaguars that we have Advisory on Wednesday's at 9 AM. They should go to their Advisory Schoology page for the correct Zoom link. Remember - Advisory will show up on the official transcript so students do need to attend each and every week.

This week, all 12th Graders will be meeting with their Counselors to go over important Senior information. This is an important meeting to begin discussions with their counselor about future plans for after high school. They will discuss "Naviance" and the college application process, how to complete a "Jag Brag," request letters of recommendation and transcripts, as well as provide an opportunity to schedule a one of one meeting to review the student's plans more comprehensively. Zoom links to the presentation sessions will be sent to the student's "Remind". Make sure they check-in with their Advisory teachers on Wednesday before attending their Zoom meeting.

9th, 10th and 11th graders will work with their Advisory teacher on several activities, including Community Building, reviewing Clubs and Activities, learning about our new Virtual Commons, etc. Be sure your 9th, 10th or 11th grader attends!
