

## 2020-2021 School Calendar

In response to the COVID-19 pandemic, the Davis School District is currently using a hybrid alternating-day attendance model for secondary students. Students are grouped by the first letter of their last name. The tables below show the group schedule for the weeks of school from Monday, September 28 to Friday, November 6. Beginning November 2, secondary students will return to school for in-person learning Monday through Thursday, with remote learning on Friday. The calendar may be modified as needed.
