Thus, all members of the school community have a major role to play as positive models for respectful behavior. As such, each student who enrolls has a corresponding responsibility not to deny this right to any other student.

2. Student Dress

Student dress and grooming is to reflect high standards of personal conduct. School personnel shall have discretionary authority to assure that each student's attire promotes a positive, safe and healthy atmosphere within the school. Student dress may not present a health or safety hazard, violate municipal or state law, or present a potential for disruption to the instructional program. VIOLATION OF STUDENT RIGHTS

Students who believe that their rights have been violated should report their concerns to the school administrators or other appropriate school personnel.

HEARING PROCEDURE

The school prescribes a formal hearing procedure for students recommended for long-term suspension or expulsion. The student may, at his/her own expense, choose to be represented by an attorney during any due process hearing. If a hearing is requested or required, school authorities shall prepare and serve the parents/legal guardians with a written notice of the hearing. The hearing shall be scheduled no sooner than five (5) and no later than ten (10) school days from the date of receipt of notice by the parents. The parent/guardian may choose to waive the student's right to a hearing and accept the disciplinary consequences recommended by the school.

BURDEN OF PROOF

The hearing is not a legal proceeding and formal rules of evidence shall not govern the conduct of the hearing. The burden of proving that the student violated a provision of this Student Behavior Handbook is on the school authorities. The Hearing Authority shall serve its written decision on the parties, stating his/her findings, conclusions and implementations, within ten (10) days after hearing the evidence. The Hearing Authority's decision shall take effect immediately and shall continue in force during any subsequent review.

TIME LIMITS

Subject to applicable rules and upon agreement of the parent and hearing authority, the hearing authority shall have the option to extend the time limits after a showing of good cause.

SCHOOL ATTENDANCE

Regular class attendance by school age persons at all grade levels is not only an essential component in the learning process, in the development of self-discipline, and in preparation for post-secondary training, education and employment, it is also a requirement of New Mexico's Compulsory School Attendance Law, NMSA 1978 §22-12-1, et seq. ("Law"). Southwest Aeronautics, Mathematics & Science Academy's Governance Board and Administration is responsible for the enforcement of this law. Habitual truant students and parents are subject to the provisions of the Children's Code [32A-1-1 NMSA 1978]. New Mexico law dictates that:

- (1) Students between the ages of 5 and 18 years of age are mandated to attend public school, private school, home school or a state institution.*
- (2) Schools will provide intervention strategies that focus on keeping students in school.*
- (3) Habitual truants are reported to appropriate authorities such as CYFD staff, Juvenile Probation and Parole, District Attorney, Truancy Court and the State of New Mexico.*
- (4) Parents may be subject to criminal sanctions for violation of the law.*

The Southwest Aeronautics, Mathematics & Science Academy (SAMS) encourages parents to ensure their child attends school to maximize their learning and increase their chances of having a successful academic career. The school understands families may need support to help their child be successful. The Governance Board, Administration and Staff will work so that all concerned will be provided the guidance and resources necessary to assure success.

The Southwest Aeronautics, Mathematics & Science Academy attendance policy has the following components:

1. The Southwest Aeronautics, Mathematics & Science Academy's goal is 94% attendance for all students in each grading period. On time attendance to regularly scheduled sessions is mandatory for students to derive maximum benefit from SAMS' instructional program. **This means that no more than the equivalent of 5 absences per student, per semester, is acceptable.** Parents will be notified by mail on a student's 5th and 10th absence.
2. Attendance will be taken in every session and class.
3. The parent/guardian will notify the school when the student will be absent by sending an email to SAMSattendance@samsacademy.com or calling 505-338-8601.
4. The Southwest Aeronautics, Mathematics & Science Academy will contact parents/guardians informing them of their child's absence when the school does not receive prior notification.
5. Absences that are not excused beforehand and cannot be verified by parent contact will be considered unexcused. Parents may subsequently excuse absences.
6. Absences will be excused for the following reasons:
 - Illness
 - Family emergencies
 - Medical condition/emergency
 - Religious Commitments
 - Death in the family
 - Diagnostic testing
 - Medical appointment
 - School sponsored activity
 - Extenuating circumstances approved by school administration
- School-related absences are not included when evaluating excused, unexcused and excessive absences.
- Parents should notify the school of all situations that will result in prolonged absences.
- Parents are discouraged from taking their children out of school for vacations. While students missing school due to vacations is not condoned, it is recognized that there are situations when a student must be absent due to parental vacation or travel requirements.
- Students will be encouraged to make up all absences by attending extra main lab sessions in addition to their regularly scheduled sessions.
- A student who falls below a 94% attendance rate may be excluded from intramural activities at the school.

In accordance with the New Mexico Compulsory Attendance Law, parents will be notified by mail on the student's 3rd, 5th, 7th, and 10th unexcused absence. Parents are requested to contact their child's sponsor teacher upon receipt of the 5th unexcused absence notification letter to discuss remedies. Following a student's 7th unexcused

absence, parents will be contacted to arrange a conference with their sponsor teacher to develop possible interventions. On a student's 10th unexcused absence parents will meet with the SAMS administration. Parents will be advised of their legal obligation to ensure their child's regular attendance. The SAMS administration will continue to work to resolve the issues leading to the student's excessive absenteeism. Further unexcused absences will be referred to the Children's, Youth and Families Department for investigation and potential prosecution by the District Attorney's Office (Children's Court Attorney) with the Judicial District Court of the State of New Mexico and to the Juvenile Probation and Parole Office in our community.

ACADEMIC ABSENCES

Attendance Policy

Attendance at SAMS Academy is both physical (face-to-face classes) and Academic (engaging in digital coursework). Please note the following:

All student activity is recorded. This includes Edgenuity login and logout time, lessons completed, time spent on assignments, grades and information about work completed and current status in each course. Students have a beginning and ending date for each course and a weekly work schedule to keep pace with the semester timeline.

Recorded Absences:

- **Academic Absences:** Students can receive an Unexcused Academic Absences for lack of progress in their classes. When the student reaches below 70% actual grade in any class, the student and parent are given a written warning for lack of progress. If the student does not meet their target in every class within one week or continues to fall behind, an Academic Absence is recorded. If the student continues to stay behind in work, the advisor may place the student on a Student Success Contract. Students on contract are required to attend the SAMS Academy Student Success Lab until they have caught up with their course work, no Academic Absences are accrued.
- **Physical Absences:** Students will also receive an Unexcused Physical Absence when not in attendance for scheduled sessions.
- Once a student has 10 recorded absences it will be reported to the local truancy agency. Parents are notified with a warning at 5 absences. Students not in attendance, physical and/or on-line, for 10 consecutive school days or 20 absences will voluntarily relinquish lottery position unless arrangements have been made with the Head Administrator prior to the absences.

SUPPLEMENTAL SCHOOL ATTENDANCE POLICY DURING PANDEMIC PERIOD(S)

Students are expected to attend in-person or remote instructional programs, as provided by the School, each day. Attendance will be officially recorded and reported to the New Mexico Public Education Department, whether school is conducted online or in-person. The school further will track online participation. The New Mexico Attendance for Success Act requires that districts and charter schools provide interventions to students based on the percentage of absences students have accrued.

Hybrid Model: For hybrid learning models in which students attend in-person classes on some

days of the week and participate in remote learning on other days of the week, attendance shall be taken by teachers for both in-person and remote instructional classes and school programs. Accurate attendance data shall be documented and reported by the School, in accordance with the Attendance for Success Act. Teachers will track student engagement and whether or not students are logging on to online instructional activities or otherwise using other means to participate in a class/activity, and the School will maintain this data. The School will monitor those students who are not participating or engaging with online instructional activities and provide supports as appropriate.

If a student is without a computer or internet, please contact the SAMS Academy at 505.338.8601.

If campus is closed: Students are expected to participate in remote learning during any campus closure period(s) as scheduled. Data regarding the submission of schoolwork and participation in online activities will be counted as participation or engagement data and used to support student learning and engagement with instructional content. Teachers will track whether or not students are logging on to online instructional activities. SAMS Academy will monitor those students who are not engaging or participating with online instructional activities and provide supports as appropriate.

Medical and other excused absences: Absences due to medical conditions may be excused absences if the status of the student is disclosed to appropriate school personnel and if relevant documentation is provided as per the existing school attendance policies. Students will be allowed to make up schoolwork missed due to excused medical absences. Excused medical absences, including medical absences for students on 504 plans and students who are expectant or parenting, are included when determining students' attendance intervention tiers. However, for students who are excessively absent (students missing 20 percent or more of class periods or school days), additional excused medical absences need not be considered when determining whether a student must be referred to the probation services office.

Optional Online-Only program: For optional online instructional programs that the school may employ to better meet the needs of some families, and in which families may choose whether or not to participate, attendance will be regularly taken and reported for program participants, and students will be supported with appropriate interventions in accordance with the Attendance for Success Act.

TARDIES

Excessive tardies will be dealt with through progressive discipline procedures. Students tardy to main lab sessions will be seated upon computer station availability. Consequences and remedies for habitual tardiness will be addressed by the Administration with individual students and parents.

STUDENT DROP-OFF AND PICK-UP

Parents may not leave their children on the school campus more than thirty (30) minutes prior to the school day. School grounds are not supervised except during the school day.

If extenuating circumstances prevent a family from picking up a student on time the school must be notified. If students are repeatedly left on campus outside of the school day hours, an administrator will attempt to contact the family to discuss the problem and to develop possible solutions. If the problem continues, the student may be considered abandoned and the police will be notified.

DISRUPTION OF THE EDUCATIONAL PROCESS

This list is not all-inclusive; acts of misconduct not specified herein shall also be subject to discretionary action by appropriate school personnel. This document does not attempt to set societal standards. The criterion used for defining unacceptable behavior is whether or not it has the potential to disrupt the educational process. These guidelines follow municipal and state guidelines. Definitions of these terms are indexed in the back of this handbook.

Absences, Excessive	Firearm Possession/Use
Arson, Category I and II	Gang-Related Activity
Assault/Bullying	General Disruptive Conduct
Assault, Aggravated	Hazing
Battery, Aggravated	Language, Profane/Abusive
Battery/Fighting	Materials, Obscene
Bomb Threat/False Alarm	Paraphernalia Possession
Bus Disruption	Robbery
Controlled Substance, Possession/Use	Sexual Harassment
Defiance of School Personnel/Authorities	Tardy, Excessive
Dress Code Violation	Theft
Extortion	Tobacco, Possession/Use
Continual Disruptive Conduct	Trespassing/Unauthorized presence
	Vandalism
	Weapon Possession/Use

CONSEQUENCES FOR UNACCEPTABLE BEHAVIOR

The Southwest Aeronautics, Mathematics & Science Academy is a learning community and the rules and regulations of a school are the laws of that community. The right to a public education is not absolute; it may be taken away, temporarily or permanently, for violation of school rules.

Minimum mandatory consequences have been established and must be expected for any violations. Schools must make a good faith effort to notify the parents or legal guardian of the student in any circumstances where the school's disciplinary response will exceed administrator/student contact. Administrative response to unacceptable behavior may include a spectrum of actions such as those listed below. Administrators may impose consequences beyond those identified as minimum mandatory.

Suspension:

A suspension is the removal of a student from a class or classes and all school-related activities for any period of time. Suspension will include a range of responses from in-school suspension alternatives to long-term removals of one year or longer. The school administration must notify each of a student's teachers and the student's parents within a reasonable time frame of imposing *any* form of suspension.

Removal to an Alternative Educational Setting

The school goal is to keep students engaged and actively working on their school work. The Southwest Aeronautics, Mathematics & Science Academy utilizes an alternative educational setting to allow students access to curriculum while prohibited from being on the main school campus. Time spent in AES is not considered short or long-term suspension. Administrators retain the discretion to assign students to the AES setting or to short/long-term suspension.

Short-term Suspension

Short-term suspension is defined as any suspension of ten days or less. Short-term suspension will be at the discretion of the school administrator and will address behaviors that disrupt the educational process. Any student who is suspended must be given the opportunity to make up missed work. The student has the same number of days to complete and turn in make-up work as he/she was suspended. Students who are suspended may continue working in their curriculum at home.

Long-term Suspension

Long-term suspension is defined as the removal of a student from instruction and all school-related activities for more than ten (10) days and up to the balance of the semester.

A student receiving a long-term suspension may lose credit for the semester. A student must be given the opportunity for a due process hearing. The student may, at his/her own expense, choose to be represented by an attorney at the hearing. At the principal's discretion, students may be suspended pending a due process hearing.

Expulsion

Expulsion is the removal of a student for a period exceeding one (1) semester. In some cases, expulsion may be a permanent removal from the school system. A student receiving an expulsion will lose credit for the semester(s) in which the expulsion occurs. A student must be given a due process hearing prior to expulsion. The student may, at his/her own expense, choose to be represented by an attorney at the hearing.

Referral for Legal Action

Communication of any illegal act or action by a student will be forwarded to the appropriate authority or law enforcement agency. New Mexico law requires that if any school employee has reasonable cause to believe that a child is or has been in possession of a firearm on school premises, the employee shall immediately report the child's actions to a law enforcement agency and the Children, Youth and Families Department.

Suspension of Activity Privileges

Students may be removed, at the discretion of the principal, from any part or all extra-curricular privileges for time periods up to one (1) full calendar year. Participation in activities is a privilege offered to and earned by students. Because participants are serving as representatives of their school and community, their conduct is expected to exemplify high standards at all times.

Participants are expected to adhere to higher standards of academics and conduct than established for the general school population in order to maintain their activity privileges.

Participation in activities is not a student right and suspension of such privileges does not require a due process hearing procedure.

SUBSTANCE ABUSE AND TOBACCO POLICY

It is the policy of the Southwest Aeronautics, Mathematics & Science Academy to be a "Tobacco Free Zone". Students, parents, visitors, and staff members are prohibited from possessing tobacco products of any kind, tobacco paraphernalia (including lighters and matches) on campus or at any school-sponsored activity. Consequences for violation of this policy is at the discretion of school personnel.

CONSEQUENCES FOR UNACCEPTABLE BEHAVIOR

Some of the actions which may be used are listed below by categories. These and others may be exercised at the discretion of the school's administration.

CONTRACTS

Student commits to more positive behavior in the form of a written contract. Student may be assigned school or community service. The terms of the contract will be determined by the principal or designee. Students may be taken to a long-term suspension hearing for contract violation.

REMOVAL FROM CLASS

Student may be removed from class or activity but remains at school pending conference with appropriate school personnel. Student may be placed in an alternative setting which may include on-line courses taken at home. Student may be suspended from school.

Student may be transferred from the school to the school of residence at the request of the student and parents or through mutual agreement of the school, parent and student.

In the absence of an agreement of all parties, the school's administrator shall review the case and make the final decision.

The authority of the schools is to supervise and control the conduct of students and includes the authority to impose reasonable periods of detention during the day or outside normal school hours as disciplinary measures.

BUS MISCONDUCT

Bus disruptions, deliberately or inadvertently interfering with the safe operation of a school bus which is stopped or moving; behaving in a manner adversely affecting an individual or any property on or near the bus itself, at bus stops, or at pick-up areas will be dealt with in an appropriate manner. Suspension from the bus does not mean that the student is suspended from school. However, based on the severity of the incident, nothing herein is intended to preclude the administration from suspending the student from school based on bus misconduct.

DISCIPLINE FOR STUDENTS RECEIVING SPECIAL EDUCATION SERVICES

Students receiving special education services are not immune from the school's disciplinary process. However, since the exclusion of a student with a disability from his/her education program for more than a total of ten (10) days during a school year may constitute a significant change in placement, the following considerations must be addressed:

1. When considering long-term suspension or expulsion, an Individualized Education Program (IEP) Team must first determine whether the behavior of concern is a manifestation of the student's disability and whether his/her program is appropriate.
2. If the IEP team determines both that the behavior is not a manifestation of the student's disability and that the student's program is appropriate, disciplinary actions may be taken in accordance with the procedures in this handbook.
3. Should the disciplinary procedures include long-term suspension or expulsion, the school shall continue to provide the educational program defined in the IEP. However, that educational program may be implemented elsewhere.
4. If the IEP Team determines either that the behavior is related to the student's disability or that the student's program is not appropriate, then the student *may not* be long-term suspended and must receive an appropriate educational program. However, nothing precludes the implementation of the program to be in an AES setting.

Procedural safeguards outlined in the New Mexico Department of Education Standards for Excellence in Compliance Manual ensure that parental due process rights are afforded. Southwest Aeronautics, Mathematics & Science Academy will follow the federal guidelines regarding the provision of education continuation services for suspended special education students. Special education students are entitled to a due process hearing.

SECTION 504 AND THE AMERICANS WITH DISABILITIES ACT

Section 504 and Americans with Disabilities Act (ADA) are federal laws that prohibit discrimination against persons with a disability. These laws define a person with a disability as anyone who:

1. Has a mental or physical impairment which substantially limits one or more major life activities (major life activities include activities such as caring for one's self, performing manual tasks, walking, seeing, hearing, breathing, learning and working).
2. Has a record of such impairment.
3. Is regarded as having such an impairment.

SCHOOL OBLIGATIONS

Southwest Aeronautics, Mathematics & Science Academy recognizes a responsibility to avoid discrimination against any person with a disability, as defined by these laws. No

discrimination will knowingly be permitted in any of the programs and practices in the school.

SCHOOL RESPONSIBILITIES UNDER SECTION 504

The school is responsible for identifying, evaluating and if the child is determined to be eligible under Section 504 by affording access to appropriate education services. If the parent/guardian disagrees with the determination made by the professional staff of the school, he/she has a right to a hearing with an impartial hearing officer.

PARENT/STUDENT RESPONSIBILITIES UNDER SECTION 504

The student and parent have a responsibility to notify the school as soon as possible about possible 504 issues that may require special consideration by the school. The parent and student shall notify the school prior to the start of the school year of any existing conditions that may require school action to ensure access for the student to appropriate services.

DISABILITY HARASSMENT/DISCRIMINATION

Numerous situations may constitute disability harassment or discrimination. Mocking, taunting, ridiculing, criticizing or punishing a disabled student because of his/her disability are a few examples of what may constitute disability harassment or discrimination. Concerns should be promptly reported to the school administrator.

School personnel who become aware of disability related harassment shall promptly and effectively act to end the harassment and prevent it from recurring and, where appropriate, remedy the effects on the student who was harassed. Remedial measures will generally include counseling both person(s) who have been harmed by harassment and person(s) who have been responsible for the harassment of others and implementing monitoring programs to follow up on resolved issues of disability harassment.

PROCEDURAL SAFEGUARDS FOR PARENTS

It is the policy of the Southwest Aeronautics, Mathematics & Science Academy to follow the procedural safeguards outlined in the New Mexico State Department of Education's Parent and Child Rights in Special Education.

TITLE IX

GENDER DISCRIMINATION

Southwest Aeronautics, Mathematics & Science Academy and federal law prohibit discrimination on the basis of gender. If students are treated differently based upon their gender, in academia or extracurricular activities, this treatment may be considered gender discrimination. Gender discrimination may include: academic programs, discipline, classroom assignment, physical education, grading and/or athletics.

SEXUAL HARASSMENT

Sexual harassment is a form of gender discrimination as defined in Title IX of the Education Amendments of 1972. Sexual harassment:

1. Is a violation of federal law, and Southwest Aeronautics, Mathematics & Science Academy policy.
2. Is illegal under state human rights statutes and may be considered a criminal offense under state and local assault and child abuse laws.
3. Includes sexual advances, requests for sexual favors, and written or verbal conduct of a sexual nature – this includes email correspondence.

If behavior toward another student makes him or her feel intimidated, uncomfortable or if the student feels threatened, it may be considered sexual harassment even if the harasser did not intend for his or her actions to be offensive.

Sexual harassment is considered to have occurred when:

1. Submission to that conduct or communication is made a term or condition, either explicitly or implicitly, of the academic status of a student or obtaining an education.
2. Submission to or rejection of that conduct or communication by an individual is used as a factor, which affects the academic standing or education of a student.
3. Conduct or communication has the purpose or effect of substantially or unreasonably interfering with the education of a student, or creates an intimidating, hostile or offensive educational environment.

SEXUAL MISCONDUCT

Sexual misconduct includes, but is not limited to:

1. Physical acts of aggression.
2. Force or threat against another student.
3. Threatening to force or coerce sexual acts.
4. Touching of private/intimate parts of the body.
5. Coercing, forcing or attempting to coerce or force sexual intercourse.

These acts should be reported to school personnel immediately. Under state law, school personnel are required to report such acts to the local police department.

PREGNANCY

Title IX of the Education Amendments of 1972 (Title IX) prohibits discrimination against pregnant or parenting teens. Title IX views teen pregnancy as a “medical condition”, therefore pregnant teens:

1. May voluntarily elect to stay at their home school during their pregnancy.
2. Are to receive a comparable curriculum and academic opportunities which may include on-line courses at home.
3. Retain their academic standing, which cannot be altered due to their medical condition.

VIOLATION OF TITLE IX

COMPLAINTS

Any student, parent or legal guardian, on behalf of his or her child, who believes he or she has been discriminated against on the basis of sex, gender, race, national origin or disability may file a written complaint. The school administration is obligated to investigate all title IX complaints completely.

These procedures do not deny any student or parent/legal guardian the right to pursue other avenues of recourse.

RETALIATION

No student will suffer retaliation or intimidation for initiating a complaint with the school’s administration. Retaliation against any student seeking assistance at school, filing a complaint, or participating in the investigative process is grounds for disciplinary action. It is the policy of the Southwest Aeronautics, Mathematics & Science Academy to respect the privacy of the complainant, the respondent, the accused, and the witnesses as much as possible, consistent with legal obligations to investigate, take appropriate action, and conform with any discovery or disclosure obligations.

STUDENT RECORDS

Student records kept by the school will be open to review by parents and/or students and will be treated in a confidential manner, as prescribed by local policy, New Mexico Public Education Department Regulations and the Family Educational Rights and Privacy Act of 1974 (FERPA).

Southwest Aeronautics, Mathematics & Science Academy maintains the following educational records directly related to students:
